Mr. Tom Dalzell, Business Manager
Local Union No. 1245
International Brotherhood of Electrical Workers, AFL-CIO
P.O. Box 2547
Vacaville, CA 95687

Dear Mr. Dalzell:

This letter and its attachments will confirm the table agreement reached by the Company's Negotiating Committee and the Union's Negotiating Committee in General Negotiations with respect to the IBEW Physical Agreement; and the Medical, Dental, Vision Agreement and Benefits Agreement ("Benefits Agreements").

Term

The Physical Agreement; Medical, Dental, Vision Agreement; and Benefits Agreement each will have a three-year term of July 25, 2012 through December 31, 2014.

Wages

The Company will grant a general wage increase, using normal rounding, of 2.75 percent (2.75%) retroactive to January 1, 2012; 2.75 percent (2.75%) effective January 1, 2013; and 2.75 percent (2.75%) effective January 1, 2014.

Suspend Letter Agreement 10-36

PG&E and Local 1245 agree on the importance of creating a new safety culture at the Company. Both parties want to see the Company become a leading organization in the areas of public and employee safety. Toward that end, the parties agree as follows:

1. The parties agree that this provision will supersede Letter Agreement 10-36, which amended the Positive Discipline System. Letter Agreement 10-36 was intended to allow the Company to consider an employee's overall safety record, both positive and negative in making discipline decisions. The Agreement was designed to prevent an employee from being terminated for a minor offense simply because the employee had an active DML. It was also designed to hold more accountable employees who had historically poor safety records. In practice, the Agreement was used to support lesser discipline as many times as it was used to support greater discipline. Regardless, employee perception of the Letter Agreement was negative. Because the parties believe that the existence of Letter Agreement 10-36 became a distraction from the far more important goal of achieving the highest levels of public and employee safety, they agree to suspend the Agreement.
2. In suspending the Agreement, both parties are mindful that doing so could send the wrong message. Therefore, the parties affirm that they are committed to improving both the safety culture and performance of PG&E. The Union agrees that employees with poor safety records should be held accountable. The Company believes that minor safety infractions may not always result in escalated discipline.
3. The parties acknowledge that a discipline system is a necessary component of any leading safety policy.
4. The parties also acknowledge that near miss reporting, corrective action procedures and risk avoidance in general are equally necessary components.
5. The parties agree that the current PD system could be improved. Accordingly, the parties agree to establish a Joint Company-Union Safety Committee on how to deal with safety offenses.

6. If the parties are unable to reach agreement, the parties may agree to defer the issue to an arbitrator for resolution or the Union may cancel Letter Agreement 10-36.

Meals

- Maintain current contract language pending review and agreement of new language by a Joint Company-Union Meals Committee.
- Upon contract ratification, suspend itemized receipt requirements and menu restrictions for meals \$30 or less.
- Itemized receipts will be required for meal expenses over \$30 and the menu restrictions under the Meals Supplement will apply.
- Establish Meals Committee
 - Until new provisions are established, this committee will review itemized receipts of meal expenses over \$30 to determine if they are reasonable.
 - Committee will develop a joint recommendation to modify the meal provisions. If the parties are unable to reach an agreement, either party may submit the dispute to an arbitrator for resolution.

Commercial Driver's License Addendum (CDLA)

- The CDLA premium (\$600) will be added to the hourly wage rate for current employees that are required to have a commercial driver's license as part of the job definition, eligible or required by letter agreement, or based upon the Company and Union's current understanding that employees utilize a commercial driver's license for the convenience of the Company.
- Upon ratification, all new hires, bidders and transfers from outside the lines of progression to Gas and Electric T&D, General Construction Gas and Line Departments or other Departments as described herein will be required to have and maintain a CDL as part of their job duties and will not receive additional compensation.
- Incumbent Gas and Electric T&D employees who bid/transfer into CDL positions will be eligible for the higher wage rate, which includes the \$600 premium in base.
- Maintain accommodation language in LA 90-113
- 150% ratio of employees with CDL to vehicles at the headquarters.

See attachment.

Grievance Timelines

Provisions have been added to the grievance language to facilitate the more timely resolution of grievances.

Job Bidding

- The maximum number of bids on file at a time will be 80.
- During discussions on the job bidding process, the Company clarified how Hiring Hall employees receive consideration for regular positions with the Company. In general, candidates with Hiring Hall experience are typically placed at a higher tier for consideration than those with no experience.

Ad Hoc Committees

The parties agreed to establish several Ad Hoc Committees consistent with Title 400 of the Physical Collective Bargaining Agreement.

See attachment.

Medical Plan

PG&E and the IBEW acknowledged the complexity of healthcare issues early in the joint education process this year and decided to work collaboratively with consultants and experts from both sides sharing data and researching options to propose common ground solutions. The goal was to design a plan that focused on keeping employees healthy while at the same time keeping premiums and out-of-pocket costs among the lowest in the nation.

In response to feedback from employees on the previously proposed medical plan, the parties made the following adjustments to the proposed medical plan:

- A phased-in approach of the medical plan changes in 2013 and 2014: effective 2013, reduce healthcare administrators from 4 to 2 and continue 2012 medical plan design; effective 2014 implement jointly developed single plan design with 2 plan administrators.
- Simpler health incentives that enable employees to have a \$0 deductible under the new health plan design;
- Additional health account funding for employees whose wage rate is at or below the 2nd step of the Service Rep 1 classification;
- Enhanced mental/behavioral health provisions; and
- Except in the limited circumstance described below, the parties agree that they will not seek modifications to the HRA funding, co-insurance, deductible, and out of pocket maximum (OOP) levels over the next 9 years. This obligation shall survive the expiration of the parties' current collective bargaining agreement and all future collective bargaining agreements through December 31, 2020. However, this obligation shall be null and void and the collective bargaining agreement shall be reopened on the topic of medical benefit plan design in the event there is a modification in the federal or state law regulations governing medical plan benefits or any other government agency ruling or pronouncement that results in a substantial and serious change in funding or costs associated with the medical benefits offered.

See attachment.

Medical Plan Collaboration

The Company and Union will continue their joint collaboration to identify high-quality providers for various medical services.

Hearing Aids, effective January 1, 2014

Hearing aids to be covered at 80% for features determined medically necessary.

Dental Plan, effective January 1, 2014

Dental implant coverage to be covered under major care of the Dental Plan.

Vision Plan, effective January 1, 2014

Replaces the current VSP signature Plan with the VSP Choice Plan. See attachment.

Cash Balance Pension Plan/Automatic RSP Enrollment

Effective January 1, 2013, new employees hired on or after January 1, 2013, will be covered by a new cash balance defined benefit pension plus increased employer match in the Retirement Savings Plan (RSP). The new plan will not affect employees hired before January 1, 2013, who will remain in the current pension plan. Current employees who might want the new pension plan and higher RSP match will be given the option to elect the new plan effective 2014. The cash balance pension design will annually credit each employee with a percentage of pay which will accumulate with interest during employment. A higher employer match will automatically apply to RSP contributions made by employees participating in the cash balance plan. See attachment.

Effective January 1, 2013, employees participating in the cash balance plan will be automatically enrolled in the Retirement Savings Plan upon reaching eligibility for company matching contributions (one year of service). Automatic enrollment payroll deductions will equal the percentage of pay eligible for company match (8% of pay). Employees may increase, reduce or cancel the payroll deduction at any time.

In response to Union feedback, Company agreed to add a 10% Pay Credit band for participants with 80+ points (age + service).

Except in the limited circumstance described below, PG&E agrees that it will not in any future negotiation seek to transition those current employees who have elected to continue earning benefits under Part II of the Pacific Gas and Electric Company Retirement Plan to the Cash Balance provisions of the Plan and this obligation shall survive the expiration of the parties' current collective bargaining agreement and all future collective bargaining agreements. However, this obligation shall be null and void and the collective bargaining agreement may be reopened on the topic of pension in the event that there is a modification in the federal or state law or regulations governing the Plan or any other government agency ruling or pronouncement that results in a substantial and serious change in funding obligations or other cost associated with the Plan.

Pension Adjustment

Certain retirees will receive a pension adjustment as follows effective March 1, 2012:

| | |
|---------------------|------|
| Retired before 1987 | 5.0% |
|---------------------|------|

Group Life Insurance Changes effective January 1, 2014

This is a packaged offering for life insurance plan provision changes including expanded age-rated supplemental life insurance benefit options to employees that will replace the flat rate premium. New benefits included in this packaged proposal would be Spousal/Domestic Partner, Child and Accidental Death and Dismemberment (AD&D) insurance options and enhanced Will Preparation benefits.

The benefit design and costs for supplemental life insurance and other ancillary benefits such as Accidental Death and Dismemberment, and dependent coverage options, and other administrative changes are provided in Attachment C.

2.3 SUCCESSOR (Added 1-1-00)

(a) (1) Any parent or affiliated company of the Pacific Gas and Electric Company that acquires any property or facility at which employees covered by this Agreement have regularly assigned jobs ("Affiliated Acquiring Entity") shall offer employment to all such covered employees, up to the number of such employees that the Affiliated Acquiring Entity determines are necessary to operate the property or facility, under the terms and conditions contained in this Agreement except as to those specific benefits that the Affiliated Acquiring Entity cannot offer. For such benefits, the Affiliated Acquiring Entity shall offer alternate benefits of comparable value and coverage.

Any employee covered by this Agreement with a regularly assigned job who receives an offer of equivalent employment from the Affiliated Acquiring Entity at the employee's current regular headquarters or a headquarters that is within 45 road miles or 60 minutes automotive travel time from the employee's current residence, or equal to the employee's current regular commute if the employee's current regular commute exceeds these limits, shall not be eligible to participate in the severance program described in Exhibit XIV (Severance) of this Agreement. (Added 10-1-03)

Any employee covered by this Agreement with a regularly assigned job who receives an offer of employment by the Affiliated Acquiring Entity shall remain eligible to participate in the Demotion and Layoff Procedure under Titles 206 and 306 of this Agreement. (Added 10-1-03)

(a) (2) In addition to the obligation to offer employment as required in (a) (1) above, an Affiliated Acquiring Entity shall adopt this agreement or alternate terms and conditions of employment mutually acceptable to the Affiliated Acquiring Entity and Union.

(b) (1) An entity not affiliated with Pacific Gas and Electric Company that acquires any property or facility at which employees covered by this Agreement have regularly assigned jobs ("Non-affiliated Acquiring Entity") shall offer employment to covered employees, up to the number of such employees that the Non-affiliated Acquiring Entity determines are necessary to operate the property or facility, at the terms and conditions contained in this Agreement; except as to those specific benefits that the Non-affiliated Acquiring Entity cannot offer. For such benefits, the Non-affiliated Acquiring Entity shall offer alternate benefits of comparable value and coverage.

(b) (2) In addition to the obligation to offer employment as required in (b) (1) above, the Non-Affiliated Acquiring Entity shall maintain the same or comparable terms and conditions of employment applicable to covered employees hired by the Non-Affiliated Acquiring Entity for a period that is not less than the unexpired term of this Agreement that is in effect as of the date such employees are hired by the Non-Affiliated Acquiring Entity.

(c) This section shall only apply to an acquiring entity that intends to operate the property or facility in the same or substantially the same manner as the Pacific Gas and Electric Company operates the property or facility immediately prior to its acquisition.

(d) The Pacific Gas and Electric Company shall include the obligations set forth in sections (a) or (b) above in any transfer or sale agreement, as provided in section (a) or (b) above, with an acquiring entity of its property or facility. For any property or facility that is subject to Public Utilities Code section 363, the obligations set forth in sections (a) or (b) shall commence at the end of the applicable operating and maintenance period. The only claim the Union may have against Company under this section is for the Company's failure to include in the transfer or sale agreement the obligation set forth in Section (a) or (b) above.

TITLE 3. CONTINUITY OF SERVICE

3.1 Company is engaged in rendering public utility services to the public, and Union and Company recognize that there is an obligation on each party for the continuous rendition and availability of such services.

Such residential requirement shall be determined solely on the basis of obligations relating to the continuous rendition and availability of Company service to the public. The waiver provided for above shall be reduced to writing, the conditions thereof set forth, and signed by the Company's Director of Labor Relations and Union's Business Manager. (Amended 1-1-09)

For the purposes of this section, an employee will be considered to be residing in the "community" if his/her residence is located no more than 30 minutes automotive travel time, under ordinary travel conditions, from the employee's headquarters. (Amended 1-1-91)

Any employee who must change his/her place of residence as provided herein shall be given a reasonable period of time in which to move in order to avoid personal hardship. (Amended 1-1-91)

(Amended 1-1-09)

(Amended 1-1-88)

TITLE 101. LEAVE OF ABSENCE

101.1 ELIGIBILITY

"Leave of absence" without pay shall be granted to regular employees, under the conditions set forth in this Title for urgent or substantial personal reasons, provided that adequate arrangements can be made to take care of the employee's duties without undue interference, or if required by law, undue hardship, with the normal routine of work. A "leave" will not be granted if the purpose for which it is requested may lead to the employee's resignation. For the purpose of this Agreement the terms "leave of absence" and "leave" signify absence without pay for periods in excess of ten consecutive workdays. In the computation of the length of a "leave of absence" there shall not be included any time the employee is absent with pay. Absences without pay for ten consecutive workdays or less shall also be authorized under these provisions. (Amended 1-1-09)

In addition to the provisions of this Title, it is the intent of the parties to include leave benefits as mandated by state and federal law, including both the California Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993. (Amended 1-1-94)

101.2 PERIODS OF LEAVE

(a) The Company may grant a "leave of absence" without pay to a regular employee for a period not in excess of six consecutive months. It may grant an additional "leave of absence" without pay to such employee if personal circumstances and service to the Company warrant the granting thereof or as otherwise required by applicable law. Except as provided in Sections 101.6 and 101.8, a "leave of absence" will not be granted which, together with the last "leave" or "leaves" granted, will exceed twelve consecutive months. (Amended 1-1-09)

(b) Child Care Leave: A regular employee who has become a parent by the birth or adoption of a child, or has become the legal guardian of a child shall be entitled to an unpaid "leave of absence" for a period not to exceed six consecutive months, without reference to urgent and substantial personal reasons to care for such newborn or adopted child. When an employee who was granted a leave for child care applies for reinstatement the employee will be returned to the employee's former classification and headquarters which the employee vacated. (Amended 1-1-91)

An employee shall be entitled to an additional "leave of absence" for a period not in excess of six consecutive months for child care with the understanding that the employee may return to work provided a vacancy exists in the classification and headquarters which the employee vacated, or in a classification lower thereto in the Line of Progression at such headquarters.

If a vacancy of this kind does not exist after the second six consecutive months, the employee's service shall be terminated. (Entire Subsection Added 1-1-84)

101.3 COMMENCE AND END

A "leave" shall commence on and include the first workday on which the employee is absent without pay, and terminate with and include the workday preceding the day such employee returns to work. The conditions under which an employee shall be restored to employment on the termination of the employee's "leave of absence" shall be clearly stated on the form on which application for the "leave" is made. (Amended 1-1-91)

101.4 STATUS

An employee's status as a regular employee shall not be impaired by a "leave of absence."

101.5 TERMINATION OF SERVICE

If an employee fails to return immediately on the expiration of the employee's "leave of absence," or if such employee accepts other employment while on "leave," except as provided in Section 101.6, or if such employee makes application for unemployment benefits under the California Unemployment Insurance Act while on "leave," such employee shall thereby forfeit the "leave of absence," and terminate Service with Company. (Amended 1-1-91)

101.6 UNION LEAVE OF ABSENCE

Subject to the provisions of Section 101.1 Company shall at request of Union grant a "leave of absence" without pay to any employee for the purpose of engaging in Union business. Such "leave" shall be for a period or periods not to exceed a total of 72 consecutive months. An employee who has returned to work for Company following an absence on "leave" for Union business in excess of six months shall not be granted another such "leave" until such employee has worked for a period equivalent to the time of the last continuous absence on "leave" for Union business. (Amended 1-1-09)

101.7 RETURN FROM UNION LEAVE OF ABSENCE

Unless an employee who is on "leave of absence" for Union business notifies Company that he/she will return to work at the end of the first six months of such absence, such employee's job shall be considered as vacant, and Company may fill it as provided in Title 205 in the case of a Division job, or as provided in Title 305 in the case of a General Construction job. When such employee returns to employment after an absence in excess of six months, such employee shall be employed in his/her former Bidding Unit or Department and former classification subject to the following: (Amended 1-1-91)

(a) Such employee may elect to displace another employee, or, if Company offers an assignment to a job vacancy on which another employee with longer Service does not have a prebid, the employee may elect to accept it. (Amended 1-1-91)

(b) If such employee accepts such assignment, the location of such job shall thereupon become the regular headquarters. If there is no vacancy to which the employee can be assigned or elects not to accept an assignment to an existing job vacancy, placement in the Company shall be governed by Title 206 or Title 306, whichever is applicable. (Amended 1-1-91)

(c) If the employee is a Division employee and elects to displace another employee, such employee shall displace that employee in his/her former Bidding Unit or Department and classification who entered such classification during the period of the "leave of absence" and who has the least Service. If such displacement cannot be effected, the employee shall displace that employee in such Bidding Unit or Department and classification who has the least Service, except that the employee may not displace an employee whose Service is equal to or exceeds his/her own. If the last mentioned displacement cannot be effected, placement in the Company shall be governed by Title 206, and the job headquarters shall be the same as it was when the "leave of absence" was granted. (Amended 1-1-91)

(d) If he/she is an employee of General Construction and elects to displace another employee, he/she shall displace that employee in his/her classification and department of General Construction within his/her former promotion and demotion area who has the least Service, except that the employee may not displace an employee whose Service is equal to or exceeds his/her own. If this displacement cannot be effected, placement in the Company shall be governed by Title 306. (Amended 1-1-91)

101.8 MILITARY LEAVE OF ABSENCE

An employee who leaves employment with Company to enter the military service or other service where reemployment rights are protected by law will be granted a "leave of absence" under the provisions of Sections 101.1 to 101.5, inclusive. Upon qualifying for reemployment under any such law, and being reemployed the employee will be granted a further retroactive "leave of absence" to cover the balance of the absence. (Amended 1-1-91)

Eligible employees who engage in military service or who are eligible family members of military personnel are entitled to time off consistent with federal and state law. (Added 1-1-09)

101.9 FUNERAL LEAVE

(a) A regular employee will be granted up to three days off with pay if a member of the immediate family dies. Unused vacation or floating holidays may be granted to extend an employee's funeral leave beyond the three days provided for above or personal time off without pay

for the time needed will be granted. The immediate family shall be limited to: an employee's spouse or employee's registered domestic partner, parent, grandparent, grandparent-in-law or grandparent of employee's registered domestic partner, parent-in-law or parent of employee's registered domestic partner, child or child of employee's registered domestic partner, grandchild, son-in-law, daughter-in-law, stepchild, brothers, sisters, half-brothers and half-sisters, step-brothers, step-sisters, foster parents, step-parents, aunts, uncles or an individual who was a member of the employee's immediate household at the time of death. (Amended 7-25-12)

(b) Consistent with the Company's operational needs, a regular employee may be granted the time off with pay necessary to attend the funerals of other persons the employee may be reasonably deemed to owe respect, but not to exceed one day.

(c) Employees who have not attained regular status will be allowed time off without pay as provided for in (a) and (b) above.

101.10 JURY DUTY

Employees who are summoned to serve on a grand jury, trial jury, or a jury of inquest will be granted the necessary time off for this purpose under the following conditions:

(a) Regular employees will be allowed the necessary time off with pay for jury duty which occurs within their scheduled working hours during the basic workweek. Such employees assigned to a third shift shall be rescheduled to a first shift during such a period of time at the straight rate of pay, and such employees assigned to a second shift who are required to report to the jury commissioner on a second consecutive workday or more shall be rescheduled to a first shift on a Monday-Friday basic workweek during such a period of time at the straight rate of pay. Such employees will be paid at their basic rate of pay. In the application of other provisions of this Agreement, such time off with pay for jury duty will be considered as time worked and, if dismissed by the court on any workday before the end of the employee's regular work hours, such employee shall return to work provided such dismissal occurs at least two hours before the conclusion of such hours of work. (Amended 1-1-88)

(b) Employees who have not attained regular status will be allowed time off without pay subject to the other provisions of (a) above.

(c) Employees shall advise their supervisor on the workday following receipt of notice that they are required to report for jury duty service. The employee may be required to provide receipt of such notice to their supervisor. (Amended 1-1-88)

101.11 WITNESSES

Regular employees will be given the necessary time off to appear as a witness in administrative, civil or criminal cases under the following conditions:

(a) Employees who are required to appear as witnesses on behalf of Company will be treated with respect to the provisions of this Agreement as though they were employed in their customary work.

(b) Employees who are subpoenaed to appear in litigation in which Company has no interest and is not a party, but nonetheless involves an employee's presence as to matters arising out of and in the course of their employment with Company will be paid at their regular straight-time rate of pay for the time required to appear or testify (but not more than eight hours in any one normal workday), less any remuneration they are entitled to by law except that travel and other expenses for which they are reimbursed which are not subject to income tax will not be included when computing such remuneration.

(c) Following dismissal of the employee-witness by the court or administrative agency on any workday before the end of the employee's regular work hours, the employee shall return to work provided such dismissal occurs at least two hours before the conclusion of such hours of work. (Amended 1-1-91)

(d) In all other instances, an employee who has been subpoenaed as a witness in any matter not provided for above will be excused from work, without pay, for the time necessary for such administrative or court appearance.

101.12 ADOPTION

Regular employees will be allowed up to 8 hours of time off with pay (as necessary) for court appearances in connection with child adoption procedures. Such time may be taken in increments of one hour or more. (Amended 1-1-88.)

TITLE 102. GRIEVANCE PROCEDURE

102.1 STATEMENT OF INTENT - NOTICE

The provisions of this Title have been amended and supplemented from time to time. Company and Union have now revised and consolidated this Title in its entirety to provide a concise procedure for the resolution of disputes.

It is the intent of both Company and Union that the processing of disputes through the grievance procedure will give meaning and content to the Collective Bargaining Agreement.

The parties are in agreement with the policy expressed in the body of our nation's labor laws that the mutual resolution of disputes through a collectively bargained grievance procedure is the hallmark of competent industrial self-government. Therefore, apart from those matters that the parties have specifically excluded by way of Section 102.2, all disagreements shall be resolved within the scope of the grievance procedure.

Union agrees to provide grievant(s) with a copy of any settlement reached at the grievant's last known address. Such copy shall be sent by certified, U.S. mail, or handed to the grievant, within 30 calendar days of the signing of the settlement.

102.2 GRIEVANCE SUBJECTS

Disputes involving the following enumerated subjects shall be determined by the grievance procedures established herein:

- (a) Interpretation or application of any of the terms of this Agreement, including exhibits thereto, letters of agreement, and formal interpretations and clarifications executed by Company and Union.
- (b) Discharge, demotion, suspension or discipline of an individual employee.
- (c) Disputes as to whether a matter is proper subject for the grievance procedure.

102.3 TIME LIMITS

(a) Filing

It is the intent of Company, Union and the employees that timely filed grievances shall be settled promptly. (i) A local grievance is timely filed when submitted by the Union Business Representative or his/her alternate (hereinafter either is referred to as "Business Representative") in writing on the form adopted for such purpose to the designated electronic mailbox in the Labor Relations Department or alternatively, to a "Sr. Labor Specialist"; or (ii) a Business Manager grievance is timely filed when submitted by Union's Business Manager to Company's Labor Relations Director (iii) within the following time periods: (Amended 1-1-09)

(1) A grievance which involves the discharge of an employee must be filed not later than 14 calendar days after the employee is notified in writing of the discharge. Whether or not a grievance is filed, Company shall, at Union's request, state in writing the specific factual and policy reasons therefore within two workdays of such request. (Amended 7-2512)

(2) A grievance which does not involve the grievant's discharge must be filed not later than 30 calendar days after the date of the action complained of, or the date the employee became aware of the incident which is the basis for the grievance, whichever is later. The Company shall, at Union's request, state in writing the reason for an employee's discipline, demotion or suspension within seven calendar days of receipt of such request by Union.

(3) Business Manager grievances which may be filed pursuant to (a)(ii) above shall concern contractual interpretation matters which have system-wide or classification wide implications. Business Manager grievances shall not involve an employee's discharge, demotion, discipline, promotion, demotion or transfer. (Added 1-1-00)

(b) Steps One Through Five Extension of Time Limits

Either the Company or Union members of any of the Committees provided for in each of the following grievance Steps One through Five may, if they agree that further determination of fact is required, request an extension of time which may be granted by the other. In no event shall any extension by either or both parties exceed one additional time period provided for at the step where the extension is granted.

(c) Time Limit Compliance (Added 7-25-12)

Each month, the parties shall prepare a list of any grievances which have not been settled or referred within the time limit provided for in Step Two. The Fact Finding Committee agenda shall include a report out by the responsible Labor Relations Specialist and Business Representative regarding the reason(s) for the delay, what steps have been taken to process the grievance, and whether the Local Investigating Committee meeting is necessary and/or has been scheduled.

The Company and Union Fact Finders may direct the Labor Relations Specialist and Business Representative to settle the grievance based on agreed to facts, or instruct that the grievance be settled or referred by the next Fact Finding. Any grievances which have not been settled or referred by the next Fact Finding date will be reported to the Chair and Secretary of the Review Committee along with the information described in the paragraph above. The Review Committee Chair and Secretary will take whatever action they deem necessary to ensure the grievance is settled or referred.

Each month, the parties shall prepare a list of any grievances which have not been settled or referred within the time limit provided for in Step Three. The Review Committee agenda shall include a report by the Company and Union Fact Finders regarding the reason(s) for the delay, what steps have been taken to process the grievance, and when the grievance will be heard in Fact Finding.

The Chair and Secretary of the Review Committee may direct the Fact Finders to settle the grievance based on agreed to facts, or instruct that the grievance be settled or referred by the next Review Committee. The Review Committee Chairs will take whatever action they deem necessary to ensure the grievance is settled or referred.

(d) Expedited Grievance Decision (Added 7-25-12)

Prior to or following a Local Investigating Committee meeting, either party may request an Expedited Grievance Decision. A two person panel composed of the Company and Union Fact Finders will review the relevant factors of the grievance as presented by the Labor Relations Specialist and Business Representative. The panel may agree to provide instructions as to grounds for settlement which will be final and binding, but without prejudice to the position of either party. If the panel does not agree on a settlement, the grievance will be processed as provided for in the Local Investigating Committee Section. Use of this option does not waive or extend the grievance processing time limits.

102.4 FINALITY

The resolution of a timely grievance at any of the steps provided herein shall be final and binding on the Company, Union and the grievant. A resolution at a step below Step Four, while final and binding, is without prejudice to the position of either party, unless mutually agreed to otherwise. (Amended 1-1-09)

(a) If an employee has been demoted, disciplined or dismissed from Company's service for alleged violations of a Company rule, practice or policy and Company finds upon investigation that such employee did not violate a Company rule, practice or policy as alleged, Company shall reinstate the employee and pay the employee for all time and benefits lost thereby plus interest on such reinstated pay in the amount of 7 1/2% annum.

(b) In the event of a "continuing grievance" as set forth in Section 102.9 and Attachment A, a retroactive wage adjustment shall be made as provided therein.

(c) Provided further that nothing contained herein shall restrict or inhibit the parties or the Board of Arbitration from reducing the amount of a retroactive wage adjustment to an otherwise successful grievant where, in their absolute discretion, the equities of the situation do not call for the employee to receive a full retroactive wage adjustment.

102.5 ADJUSTMENTS

Company will make a reasonable effort to effectuate remedies provided for in a grievance settlement within 30 calendar days of such settlement.

102.6 STEPS

STEP ONE
SHOP STEWARDS

Except for disputes involving an employee's discharge, demotion, suspension, discipline or qualifications for promotion or transfer, the initial step in the adjustment of a grievance shall be a discussion between Union's shop steward (or grievant or Business Representative if no shop steward is assigned to the work area) and the foreman or other immediate supervisor directly involved. The foreman and shop steward may discuss the grievance with the general foreman or other supervisor of corresponding authority. The purpose of such discussion shall be to reach a satisfactory disposition of the grievance but shall not waive or delay the filing requirements set forth in Section 102.3 above. Discussions shall be at such time and place as not to interfere with the work then in progress. (Amended 1-1-91)

Shop stewards shall be employees of Company, and Union may designate as many shop stewards as it deems necessary for the proper administration of its affairs and for the administration of the provisions of this Agreement.

STEP TWO
LOCAL INVESTIGATING COMMITTEE

Immediately following the filing of a timely grievance, a Local Investigating Committee will be established. The Committee will be composed of the Human Resources Advisor, the Business Representative, the exempt supervisor whose decision is involved in the grievance, and the shop steward representing the department involved. (Amended 1-1-00)

(1) The Human Resources Advisor and Business Representative will arrange for meetings of the Committee at times and places convenient for the persons involved. (Amended 1-1-00)

(2) The Committee shall meet as soon as reasonably possible and shall make a full and complete investigation of all of the factors pertinent to the grievance. If necessary to gain all of the information required to resolve the grievance, the Committee may hold investigative interviews with other persons involved in the dispute. Except for good cause to the contrary, the grievant shall be permitted to be present during these interviews. The grievant will not be a party to the disposition of the grievance, nor is the grievant's concurrence required for the Committee to reach a settlement of the grievance. Grievant, however, does have the right to point out the existence of other facts or witnesses favorable to grievant's case.

Notwithstanding the foregoing prohibition, with the written consent of the Union's Business Manager, or designee, the members of the Local Investigating Committee may include the grievant where such employee is also the shop steward representing the department involved in the grievance. In this limited situation, the shop steward/grievant may be a party to the disposition of the grievance. (Amended 1-1-91)

(3) (a) Within 30 calendar days following the filing of a grievance which does not concern an employee's qualifications for promotion or transfer (except as provided in the next paragraph for Inter-regional or General Office Departmental prebids or transfer applications), or the employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings, which shall include: (i) a mutually agreed-to brief narration of all the events and factors involved in the dispute, and (ii) the Committee's mutually agreed-to findings with respect thereto. If the Committee has reached an agreeable disposition of the grievance, the report shall also contain a statement to that effect and the reasons therefore. (Amended 1-1-88)

Inter-regional or General Office Departmental prebids or transfer applications shall be subject to the further limitation, however, that the report of the employee's present Regional or General Office Departmental Local Investigating Committee shall be forwarded within 15 calendar days from the date a report was requested by the bypassing Region or General Office Department and further, the latter Committee must dispose of the grievance, in the manner described above, no later than 15 calendar days thereafter. (Amended 1-1-88)

If the grievance is not resolved in 30 calendar days following its being timely filed, either Company or Union may request "Certification to Fact Finding" for a local grievance, or referral to the Review Committee for a Business Manager's Grievance. (Amended 1-1-00)

The referral in either event shall be accompanied by the report referred to above. The referral shall also include either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance.

If either party requests "Certification to Fact Finding," copies of the report and the request shall be forwarded to the Chairman and the Secretary of the Review Committee. If the request is not received within the seven calendar days following the expiration of time limits stated

for resolution by the Local Investigating Committee, the grievance will be automatically referred to Fact Finding. Business Manager Grievances not resolved by the LIC within the time limits in Step Two(3) (a) will be automatically referred to the Review Committee. (Amended 1-1-00)

(3) (b) Within 15 calendar days following the filing of a grievance which does concern an employee's qualifications for promotion or transfer (except as provided above for Inter-regional or General Office Departmental prebids or transfer applications), or an employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings as set forth in Subsection (a) above.

If such grievance is not resolved in 15 calendar days following its being timely filed, the grievance must be referred to and accepted by the Fact Finding Committee. The referral shall also include the report referred to above and either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance. (Amended 1-1-88)

STEP THREE

FACT FINDING COMMITTEE

The Fact Finding Committee shall be composed of the Chairman of the Review Committee or his/her designee, the Secretary of the Review Committee or his/her designee, and the Human Resources Advisor and the Business Representative involved in the preceding step. (Amended 1-1-00)

The Fact Finding Committee shall hold hearings or meet at such places and times as it deems necessary to resolve the grievance. If the grievance is resolved by the Fact Finding Committee before the expiration of the 30 calendar days following the date of referral from the preceding step, the Committee shall issue an agreed-to "Memorandum of Disposition," copies of which shall be distributed to each member of the Committee and to the grievant, and such others as the Committee determines.

If the Fact Finding Committee has not settled the grievance within 30 calendar days following receipt of or acceptance of certification, it may, by mutual agreement of the Secretary and Chairman, be:

- (1) referred to arbitration; or
- (2) referred to the Region or General Office Department Joint Grievance Committee; or
- (3) referred back to the Local Investigating Committee for further information and/or instructions as to the grounds for settlement; or

If none of the foregoing can be mutually agreed to, the complete grievance file shall be referred to the Review Committee. (Amended 1-1-88)

Region or General Office Department Joint Grievance Committee (Deleted 1-1-00)

STEP FOUR (Title Amended 1-1-00)

REVIEW COMMITTEE

The Review Committee shall consist of four representatives designated by Company's Director of Labor Relations, one of whom shall serve as Chairman of the Committee, and four representatives designated by the Union, one of whom shall serve as Secretary of the Committee. Company will not assume payment of any expense or lost time incurred by Union members of the Review Committee. (Amended 1-1-09)

The Chairman of the Committee shall maintain an agenda of the current cases referred to the Committee. So long as there are cases pending on the agenda, the Committee shall meet at least once each calendar month. These monthly meetings shall be scheduled for the fourth Thursday of each month unless the Chairman and Secretary agree to meet more often. (Amended 10-1-03)

A. PRE-REVIEW COMMITTEE PROCEDURE

After the Labor Relations Department receives a Business Manager's Grievance or the file from the Local Investigating Committee or Fact Finding Committee as provided for in the foregoing, four copies shall be submitted to the Union's Business Office. Thereafter, and prior to docketing, the Chairman and the Secretary of the Review Committee shall meet at a mutually agreeable time and place for the following purposes: (Amended 1-1-09)

(i) To allow Company to indicate whether or not it will implement the correction asked for. In the event Company takes such action, the grievance will, upon agreement of Union, be considered closed; or

(ii) To allow Union to indicate whether or not it will summarily reject the grievance. In the event Union takes such action, the grievance will, upon agreement of Company, be considered closed; or

(iii) To determine whether or not the file forwarded for review contains sufficient facts to enable the Review Committee to formulate a decision. In the event it is determined the file is incomplete, it shall forthwith, and prior to docketing, be returned to the source of referral for correction or supplementation.

(iv) To number and docket cases not disposed of by subparagraphs (i), (ii) and (iii) above; and

(v) To prepare a statement of issues and to endeavor to reach a preliminary understanding of grounds for settlement.

(vi) To appoint a Local Investigating Committee to investigate and prepare a Joint Statement of Facts for Business Manager Grievances. (Added 1-1-00)

B. REVIEW COMMITTEE PROCEDURE

After the Pre-Review Committee meeting, referrals not disposed of shall automatically be added to the Review Committee Agenda.

(i) Cases for which preliminary grounds for settlement have been reached in the Pre-Review Committee meeting shall have priority over other cases. The parties shall, as expeditiously as possible, determine whether the preliminary grounds are dispositive of the matter. In the event it is not, the matter shall be treated in the same manner as any other referral.

(ii) Other referrals - Within 30 calendar days of docketing a grievance, the Company shall submit, in writing, a "Preliminary Disposition" of all new cases placed on the Agenda. Company may have a continuance for an additional 30 calendar days or until the next Review Committee meeting, whichever is later, to submit such Preliminary Disposition.

(iii) After receipt of the Preliminary Disposition, Union shall have 30 calendar days or until the next scheduled Review Committee meeting, whichever is later, to submit to the Company a "Counter-Preliminary Disposition."

(iv) After receipt of Union's "Counter-Preliminary Disposition," a matter may, at the option of either party, be set over to the next scheduled Committee meeting if, in the view of either party, compromise or settlement appears possible. Within 30 calendar days thereafter or at the conclusion of the next scheduled meeting, whichever occurs later, the matter must be disposed of by mutual agreement, in writing, by one of the following methods:

(1) Settlement.

(2) Acceptance of Company's "Preliminary Disposition."

(3) Acceptance of Union's "Counter-Preliminary Disposition."

(4) Close the Review Committee file and remove it from its Agenda by notifying the Company's Director of Labor Relations and the Union's Business Manager that the case is "suspended." Following such notice, the Union's Business Manager and Company's Director of Labor Relations shall, within 15 calendar days, meet for the purpose of proposing an interim consultative disposition of the issues involved or, at their option, refer the case to an Ad Hoc Negotiating Committee as provided for pursuant to the provisions of Title 400 of the Physical Labor Agreement. (Amended 1-1-09)

If a matter so suspended has not been referred to an Ad Hoc Negotiating Committee for interim negotiations within 15 calendar days of the receipt of the case from the Review Committee and, provided further, if no other disposition is made within that time period, the case may, within five calendar days of the expiration of said 15 calendar days, be filed for arbitration pursuant to the applicable provisions of the applicable Labor Agreement then in effect between the parties. If not filed for arbitration or if the 15-calendar-day limits are not waived as provided for hereafter, or if the grievance has not been withdrawn, the grievance shall be considered finally settled without prejudice.

If Ad Hoc Negotiations are agreed upon within the time periods provided, the Committee will meet and confer at the earliest date that can be arranged between them. The Committee will meet thereafter as often as both parties deem necessary to effect an early disposition of the issues involved. The Committee is empowered to render a final, binding disposition of the

case. Such decision will be reduced to writing, signed by both Union and Company, and distributed by each to Union members and Company's management as each deems necessary to effectuate the decision.

If an Ad Hoc Negotiating Committee is unable to reach a disposition of the "suspended" case within 180 days of the date the case was suspended, and if within that period of time neither party has notified the other in writing of their intent to submit said case to arbitration, then at the expiration of said 180 days, the case shall be automatically closed without prejudice, unless there is mutual agreement that the case be terminated by other means.

While "suspended," the preliminary disposition proposed by either party may, upon mutual agreement of the parties, be placed into effect anywhere without prejudice to either party. If both have submitted preliminary dispositions that provide for different methods of resolving the issues, either or both may, by mutual agreement, be put into effect for the purpose of determining which, if either, is mutually acceptable to the parties as a solution.

To provide a favorable atmosphere for negotiating a settlement of the issue referred to an Ad Hoc Negotiating Committee and to encourage the trial of preliminary dispositions proposed by either Company or Union, the period of "suspension" will insulate Company from additional monetary liability, if that is involved in the case, in the following manner: The Ad Hoc Negotiating Committee is empowered to mutually determine in an appropriate case, the amount of retroactive wage adjustment which will accompany its disposition of the case. In no event, however, will such period of retroactive wage adjustment exceed the period of time beginning with the date the grievance was originally filed and ending with the 30th calendar day following the date the Union notifies Company of their election to "suspend."

The period of suspension shall end, and the insulation of Company of further liability shall cease whenever either party notifies the other of its desire to submit the case to arbitration.

(5) Referral to arbitration.

(6) Withdrawal of the grievance by Union without prejudice.

(v) Unless the parties mutually agree in writing to the waiver of the applicable time limitation in any specific instance, the failure to strictly comply with the time limits provided above shall result in:

(1) Granting, at the option of the Union, of the correction sought by the grievance if Company does not submit its "Preliminary Disposition" within the time limits set forth in Item (ii) of this Part B, or

(2) The closure of the case without adjustment and without prejudice.

(vi) Either party may request a Review Committee hearing. Such hearing will be scheduled at the earliest time possible, but shall not delay or extend the running of time limits set forth in Part B of this Procedure.

STEP FIVE (Title Amended 1-1-00)

ARBITRATION

A. TRIPARTITE BOARD

Either Company or Union may request, within the time limits provided in the foregoing steps, that a grievance which is not settled at one of the steps provided above be submitted to arbitration.

An Arbitration Board shall be appointed on each occasion that a grievance is timely submitted to arbitration pursuant to the foregoing provisions of this Title. The board shall be composed of two members appointed by Company, two members appointed by Union, and a fifth member appointed pursuant to the procedure set forth in the following Subsection B. Such fifth member shall act as Chairman of the Arbitration Board and conduct hearings and render a decision in accordance with the appropriate Submission Agreement.

B. SELECTION PROCEDURE

The parties to an arbitration proceeding will make a good faith effort to mutually agree to the selection of the Chairman. If they cannot, each party shall nominate two candidates from the panel established by Company and Union, Subsection C. If the parties are still unable to agree upon the selection of a Chairman, then the Chairman shall be chosen by lot from the panel names submitted.

C. PANEL OF ARBITRATORS

A panel of not more than ten arbitrators shall be established and renewed annually by the Company and the Union on January 1 of that year. Each party shall have the right to name five panelists who will remain on the panel during the calendar year.

102.7 INDIVIDUAL DISPUTE ADJUSTMENT

Pursuant to the provisions of Subsection 9(a) of the Labor Management Relations Act of 1949, as last amended, no provision of this Title shall be construed to restrict or prohibit an individual employee or group of employees from presenting disputes to Company and to have such disputes adjusted without the intervention of Union, provided that the adjustment shall not be inconsistent with the terms of this Agreement, and that Union shall be given an opportunity to be present at such adjustment. (Amended 1-1-91)

An employee's election under this Section shall not preclude the employee's later consenting to Union's filing a grievance on his/her behalf if the employee is not satisfied with the results. Such grievance, however, must be filed within the time limits provided in Section 102.3, and such time limits are not delayed or suspended by the grievant's original choice to pursue the dispute without Union's intervention. (Amended 1-1-91)

Unless the employee consents to Union's later filing of a timely grievance, the procedures and grievance "steps" set forth in the foregoing Sections of this Title are not available to the employee.

102.8 ENABLING CLAUSE

By written agreement between Company and Union, other provisions may be substituted for or added to the provisions of this Title.

102.9 ATTACHMENTS

In addition to the provisions of Section 105.5 of this Agreement, the Master Apprenticeship Agreement, the Benefit Agreements, Training Agreements, and other special agreements that may be executed from time to time under Section 102.8, the provisions of this Title shall also include the following attachments which are set out elsewhere in this Agreement.

LABOR AGREEMENT INTERPRETATION

SUBJECT: Retroactive Wage Adjustment -- Continuing Grievances

SECTION 102.2 - Physical Agreement
SECTION 9.2 - Clerical Agreement

For the purpose of determining the extent of a retroactive wage adjustment resulting from the submission of a continuing grievance timely filed under the applicable provisions of Section 102.2 or 9.2, the following procedure will be observed. For this purpose, a "continuing grievance" is defined as a continuing course of conduct allegedly in violation of the Labor Agreement as opposed to a single isolated and completed transaction.

1. The period of retroactive wage adjustment shall not exceed thirty (30) calendar days prior to the date of filing such grievance in writing in the form and manner prescribed by Section 102.2 or 9.2, whichever is applicable, unless

2. It can be established that sometime prior to filing the grievance, as provided above, the grievant requested his or her supervisor to make the same correction, during the period of that continuing course of conduct, and a supervisor of grievant, who is authorized to make the correction, had declined to do so. The period of retroactive wage adjustment in this case (or an adjustment made pursuant to the provisions of Section 102.7 or 9.7) shall commence with the date it can be established that grievant made such request. In either event, however, if the request was made within thirty (30) calendar days of the day the alleged violation first occurred, the adjustment shall commence with the first day the violation occurred.

It is further understood and agreed that this interpretation shall in no way limit Company's right to make further wage adjustments which result from unintentional or inadvertent errors which are not alleged to be a matter of law or interpretation of the Labor Agreements.

(Amended 1-1-09)

103.15 (Deleted 1-1-94)

TITLE 104. MEALS

104.1 INTENT

The provisions of this Title shall be interpreted and applied in a practical manner which shall conform to the intention of the parties in negotiating with respect to meals; namely, that a comparable substitute shall be provided when employees are prevented from observing their usual and average meal practices or are prevented from eating a meal at approximately the usual time therefore.

Therefore, employees will be expected to exercise good judgment as to whether or not to obtain or delay the initial meal when called out for an emergency assignment to restore service to customers during an average and usual meal time. (Added 1-1-09)

104.2 MEALS - EMERGENCY OUTSIDE WORK HOURS AND NON-WORKDAYS - GENERAL

If Company requires an employee to perform emergency work on the employee's non-workday or wholly outside of the employee's regular work hours on workdays, it shall, if possible, provide the employee with a meal at intervals of approximately four hours for as long as such work continues, but such employee shall not be required to work more than five consecutive hours without a meal if one can be provided. If in any of the foregoing cases Company does not give an employee an opportunity to eat a breakfast and prepare a lunch before reporting for work, it shall provide such meals. The meals provided for in this Section shall be eaten at approximately the usual times therefore and the usual practice relating to lunch periods on workdays shall prevail. (Amended 1-1-91)

104.4 MEALS - WORK BEYOND QUITTING TIME

If Company requires an employee to perform work for more than one hour beyond regular work hours, it shall provide the employee with a meal approximately one hour after regular quitting time and with meals at intervals thereafter of approximately four hours but not more than five hours for as long as the employee continues such work. If an employee who is entitled to a meal under the provisions of this Title prior to work, during or upon dismissal from work does not accept such meal the employee shall nevertheless be entitled to such time allowance of one-half hour for each meal missed and meal reimbursement as provided in (b) below. The foregoing shall not apply to an employee's regular lunch period. (Amended 1-1-91)

Employees who receive a pay check may request a separate check for the gross of their In-Lieu meals.

(Amended 1-1-09)

(b) when held over from the employee's previous shift, the employee may take the meal upon dismissal from work and Company shall pay the cost of the meal and one-half hour for the time to consume such meal, or in lieu thereof, the employee may elect to receive a flat payment in accordance with the schedule set forth in 104.10(b) plus a time allowance of one-half hour, or (Amended 1-1-88)

(c) such employee may provide the meal(s) on the job, and the Company shall pay the employee an allowance of \$15.00 for each meal. (Amended 1-1-09)

(d) If an employee is not assigned to shift work which requires the employee to remain on the job, the employee shall follow the same overtime meal practice as any other employee, and the time necessary to eat the meal shall be considered work time. (Amended 1-1-88)

104.13 SHIFT EMPLOYEES

Notwithstanding any of the foregoing provisions, shift employees and other employees whose workday consists of eight consecutive hours shall be permitted to eat their meals during work hours and shall not be allowed additional time therefore at Company expense.

(Amended 1-1-80)

(b) Nothing in the Code of Safe Practices is intended to conflict with applicable Federal or State health and safety laws, rules and regulations. In the event any applicable Federal or State health or safety rules are revised or adopted so that any provisions of the Accident Prevention Rules are in conflict therewith, such rules shall be revised as provided in Subsection (a) above. (a) Transfers made by regular employees who are entitled to preferential consideration under Section 206.9.

(b) Priority 1 vacancies as defined in Exhibit VII shall be filled by employees entitled to consideration pursuant to Title 600. When a vacancy occurs and a Priority 1 Transfer is on file, awards shall be made under 205.7(b) to employees with at least one year of service, giving consideration to the employee with the greatest Service on a system-wide basis. If a Priority 1 award is not made, the vacancy shall be filled as provided for in (c) or (d) below. When a Priority 1 classification is newly established at a headquarters, Company shall post the vacancy as provided by 205.4(h). (Priority 1 status transfer.) (Amended 10-1-03)

If a vacancy in a beginner's classification is not filled in accordance with the provisions of (a) and (b) above, it will be filled in the following manner:

(c) Company shall make unrestricted appointments in filling one-half of the vacancies in beginner's classifications. (Amended 1-1-91)

(d) In making appointments to fill the remaining one-half of the vacancies in beginner's classifications in each Line of Progression in a given headquarters, Company shall give preferential consideration to regular physical and clerical employees with at least one year of service, unless transferring to a part-time classification with a higher wage rate or from a part-time position to a full-time position, who have previously requested in writing a transfer to fill such vacancies. An employee who is the senior, qualified transferee to more than one vacancy, which is currently being filled, shall be given the option of accepting the classification and headquarters desired. Preference for appointment shall be given to the employee in each classification who has the greatest Service in the following sequence: (Amended 10-1-03)

(1) To such physical and clerical employees in the Bidding Unit where the vacancy exists. (Priority 2 status transfer) (Amended 1-1-91)

(2) To any other such physical or clerical employees. (Priority 3 status transfer)

The provisions of this Subsection shall be applicable to a beginner's classification in a Line of Progression at a headquarters where a transfer application for such vacancy is on file and the number of unrestricted appointments under provisions of Subsection 205.5(c) exceeds transfers.

All transfer requests must be submitted electronically through PG&E@Work For Me (from the Company's intranet or the Internet). In no event shall the Company consider any transfer application which was received by the Centralized Job Bidding Team (CJBT) on or after the established control date. The control date is first established on the date the fully authorized personnel requisition is received by the CJBT to fill a job vacancy in the classification and headquarters on which the transfer application was made. If the transfer listing is exhausted without a successful candidate, a new control date will be established. This new control date will be the date of the decline or bypass of the last transfer applicant. Transfers which were not timely under the original control date but were received prior to the new control date will then be given consideration. If the vacancy cannot then be filled by transfer, it may be filled by unrestricted appointment -- no transfers on file. (Amended 1-1-09)

(e) Company shall acknowledge receipt of all transfer applications within 15 calendar days from date of receipt and, without rejecting such applications, notify the employee via e-mail of any known reason which might preclude the employee from filling the classification on which the employee has submitted a transfer application, including information regarding testing programs which must be completed. Information on whether or not an employee has completed such programs is available electronically from the About Me tab in PG&E@Work For Me (from the Company's intranet or the Internet). (Amended 1-1-09)

(f) Within ten calendar days after the first of each month, Company shall, within each Bidding Unit or Department, provide Union information on beginning job vacancies that have been filled the previous month as follows: (Amended 1-1-91)

(1) Name of individual, personal identification number, employment date and classification. (Amended 1-1-09)

- (2) Classification of vacancy filled.
- (3) Department and Headquarters of vacancy filled.
- (4) Date vacancy filled.
- (5) Show whether vacancy is regular or part-time.
- (6) Show whether vacancy is filled by transfer, new hire or new hire - no transfers on file.

(g) Attached hereto, made a part hereof and marked Exhibit VII, is a list of such beginner's classifications. (Entire Section Amended 1-1-84)

(h) **Cancellation of Transfers:** Applications for Transfer are valid for a period of one year from the date of receipt or until such time as the employee changes classification and/or headquarters, or until such time as the employee rejects an appointment to the classification and headquarters on which the transfer application was made. Company will notify an employee of the cancellation of employee's applications for transfer as indicated below. Cancellations shall be effective as follows:

(1) At the expiration of one year from the date of the transfer and after 15 calendar days advance notice from Company,

(2) Immediately upon the employee's declining an appointment to the classification and headquarters on which the transfer was submitted, (Amended 1-1-09)

(3) Immediately after any employee's change of headquarters, classification, or position. (Amended 7-25-12)

(4) (Deleted 1-1-09)

(5) Immediately upon receipt of authorization from an employee to cancel a transfer, or

(6) Upon receipt of authorization from the CJBT to cancel transfers because a job is deleted from the directory or an employee improperly designates rights, as provided in Section 206.9 with notification to the employee by the CJBT of such cancellation. In the latter cases the employee's transfer will be given the appropriate consideration for 15 calendar days from the date of notification. (Amended 1-1-09)

(i) **Accepting Job Offer:** An employee will be expected to provide a response by the next business day if s/he is offered a position that will not result in the employee needing to relocate his/her residence.

An employee will be expected to reply within 48 hours of receiving a job offer request when accepting the offered position will result in the employee needing to relocate his/her residence. Under certain circumstances of hardship or operational needs, the supervisor offering the position may grant up to 72 hours for the employee to respond. Further, based on operational needs, an employee may be granted the use of a floating holiday or vacation day to assist in determining whether or not to accept a job offer. Failure to respond in the aforementioned time frame will cause the employee's bid to forfeit.

An employee who is scheduled to go on vacation is encouraged to voluntarily leave a phone number with his/her supervisor at which s/he can be reached if a job offer is extended. As an alternative, an employee may voluntarily leave his/her supervisor a prioritized list of vacancies s/he will accept if offered a position. This list will expire after the vacation period is ended. In no case will an employee be bypassed for an offer due to being on vacation. (Added 10-1-03)

205.6 POSTBIDDING PROCEDURE (Deleted 1-1-88)

205.6 FORFEITURE

If an employee is the senior qualified bidder for a job vacancy and turns down a bona fide offer for such vacancy, such employee's prebid or transfer application on such vacancy shall be canceled. Such employee's prebid or transfer application to such classification and headquarters need not be considered for a period of six months. Exceptions to the aforementioned will be as follows:

(a) Such employee shall retain rights to consideration for appointment under Section 205.13; and

(b) An employee who after declining a bona fide offer to a vacancy at a given headquarters attains preferential bidding rights under Title 206 shall not be subject to the provisions of this Section. (Amended 1-1-91)

(c) Employees bidding to System Operator classifications. (Added 1-1-91)

205.7 SEQUENCE OF CONSIDERATION

(a) Bids made by employees who are entitled to preferential consideration under Section 206.9.

(b) Bids made by regular full-time employees in the Bidding Unit in which the vacancy exists who are:

205.8 (Deleted 1-1-88)

205.9 PREFERENCE BY LENGTH OF SERVICE

(a) When employees in the same preferential sequence as provided in Section 205.7 are each qualified by knowledge, skill, efficiency, adaptability and physical ability for appointment to a job, the bid of the employee with the greatest Service shall be given preference for appointment. (Amended 1-1-88)

(b) In the event a conflict arises as to seniority between two (2) or more employees whose seniority date is the same, the following will be the sequence of consideration for the purpose of a tie-breaker:

(1) any regular prior service as a Company employee shall be taken into consideration and the employee whose prior service is greater shall be deemed to have the greater seniority; (Amended 7-25-12)

(2) the employee who first successfully completed all preemployment tests shall be deemed to have the greater seniority;

(3) (Deleted 7-25-12)

(4) the parties will determine which employee is deemed to have the greater seniority by a mutually agreed-upon method of chance, such as a coin flip. (Added 1-1-88)

(c) In the implementation of Title 206, the parties may agree to a process different than the above. (Added 10-1-03)

205.10 TIME LIMITS ON BIDDING

Notwithstanding anything contained in this Title, Company shall not give consideration to any application for transfer or prebid submitted by an employee who has changed Lines of Progression within the preceding 12 calendar months or who has entered a training classification within the preceding 12 calendar months, if the consideration of such application for transfer or prebid would

result in such employee returning to his or her last previous Line of Progression. Training classification is defined as a classification for which there exists a negotiated training program. (Amended 1-1-91)

205.11 BYPASS FOR LACK OF QUALIFICATIONS

(a) Notwithstanding anything contained in this Title, Company may reject the bid of any employee who does not possess the knowledge, skill, efficiency, adaptability and physical ability required for the job on which the bid is made. Additionally, the bid of an employee to a classification having a higher maximum wage rate will be rejected if the employee has been under active counseling for poor work performance during the previous 12 months. Active counseling for the purpose of this Section is defined as: during the previous twelve month period (1) two or more instances in which the employee has received written reminders, (2) a decision-making leave or (3) a demotion with cause. (Amended 1-1-94)

(b) Company may give tests to assist in determining an employee's qualifications. By written agreement, Company and Union may adopt testing programs for determining employee's qualifications for promotion. An employee's failure to pass such tests in accordance with a Company and Union-approved program shall result in rejection of the employee's bid without further consideration. The employee shall have the right to review the examination and the correct answers unless there are no alternate versions of the examination, in which event the employee can review the examination without the correct answers. Any review shall be conducted with a management employee. (Amended 1-1-91)

(Amended 1-1-88)

(b) When an apprentice or a journeyman classification is to be filled, the negotiated Qualifying Examination shall be given to employees, applicants, or new hires entering the classification. In the absence of a Journeyman Qualifying Examination, the appropriate Apprenticeship or Training Qualifying Examination shall be given. (Added 1-1-88)

(c) When a journeyman classification is to be filled, employees in provisional classifications will not be considered qualified bidders for the journeyman classifications until having successfully completed their agreed-to Joint Apprentice Training Plan. (Added 7-25-12)

205.14 WORKING FOREMAN OR LEAD CLASSIFICATIONS

(a) In making an appointment to fill a job vacancy in a classification involving personal contact by the employee with the public, or a technical classification, or a classification in which an employee must exercise supervisory duties, Company shall consider bids of employees submitted as herein provided, but Company may nevertheless make an appointment to fill such vacancy on the basis of ability and personal qualifications.

(b) In making an appointment to fill a vacancy in a classification in which an employee must exercise supervisory duties, Company, notwithstanding the provisions of Section 205.7, shall give preferential consideration to the bids submitted by employees who have a combined total of one year or more of experience in the journeyman classification or classifications higher thereto in the normal Line of Progression.

205.15 NOTIFICATION TO UNION OF BYPASS

When an employee is to be appointed to fill a job vacancy in preference to an employee with greater Service, as provided in Section 205.7, Company shall notify Union of the decision prior to such appointment. Notifications will be limited to bypasses for reasons other than 1) lack of minimum qualifications and 2) wrong Line of Progression. (Amended 7-25-12)

205.16 RIGHTS TO GRIEVANCE

Any employee aggrieved by Company's application and interpretation of the job bidding and promotion policies established herein may thereon invoke the grievance procedure of this Agreement.

205.17 APPOINTMENT DUE TO URGENT NECESSITY

Notwithstanding anything contained in the foregoing provisions of this Title, Company by agreement with Union, may appoint, to fill a job vacancy, any employee who requests such appointment for reasons of urgent necessity, such as impairment of the employee's health or that of a member of the employee's family, or the lack of adequate educational facilities for the employee's children in the locality in which the employee has been employed, provided, however, that an appointment shall not be made hereunder to a classification which has a wage rate higher than the classification of the employee who requests the transfer. For consideration under this Section, an employee shall submit to the Company, by United States mail, a letter outlining reasons for such request in accordance with Letter Agreement 91-99 (See Exhibit XIII - Procedures to be Utilized in Connection with Hardship Transfers.) When a vacancy occurs at a location that could alleviate the employee's problem, Company and Union may agree in writing to the appointment of the employee to such vacancy. (Amended 1-1-94)

205.18 EXCHANGE OF HEADQUARTERS

Company, by written agreement with Union, may consent to an exchange of headquarters between employees in the same classification and Line of Progression without reference to the foregoing provisions of this Title.

205.20 POSTING OF JOB AWARDS

(a) (Deleted 1-1-88)

Company shall post biweekly on the bulletin boards in each headquarters within the system a list of all job awards made through prebids and through transfers since the last list was posted. Such list will include the job vacancy number (where appropriate) and headquarters, the appointed employee's name and Service, and the Agreement Section relied upon for the award. (Amended 1-1-88)

205.21 TOP RATE OF PAY OF THE NEXT LOWER CLASSIFICATION

For the purpose of clarification, the "top rate of pay of the next lower classification" is defined as the top wage rate of that classification which has the lowest maximum wage rate of the group of classifications combined and indicated as the next lower to any particular higher classification.

To be entitled to preferential consideration under Subsection 205.7(b) or (c), except as otherwise provided in any applicable apprenticeship agreement, an employee receiving the "top rate of pay of the next lower classification" as defined above must have worked in such listed "next lower classifications," or the "same or higher classifications" for a period of time equal to or greater than the time required to progress from the starting wage rate to the top wage rate for that "next lower classification" having the lowest maximum wage rate.

Where a clerical classification is among a group of classifications listed in Exhibit VI as "next lower" in a physical Line of Progression, the physical classification with the lowest maximum wage rate shall prevail in determining the amount of time required to be worked in such listed "next lower classifications." (Amended 1-1-88)

205.22 QUALIFICATIONS FOR GENERAL CONSTRUCTION EMPLOYEES BIDDING/TRANSFERRING TO REGION OR GENERAL OFFICE DEPARTMENT JOBS

An employee in General Construction must pass the appropriate agreed-to employment test battery before the employee's bid to fill a job vacancy in a Region or General Office Department under the provisions of Title 205 will be considered.

Such employee shall be entitled to two opportunities to pass the test referred to above. The second attempt to pass such test must be a minimum of three months from the date of the initial attempt. However, where the parties have agreed that certain classifications, other than normal entry level, have substantially identical tasks in General Construction as in the Regions or General Office Departments, successful performance by an employee in such classification will be considered as presumptive evidence of meeting the appropriate agreed-to test requirements. Additionally, a former General Construction employee who has become a Region or General Office Department employee at the journeyman level or below must meet the agreed-to test battery to meet the employment requirements for Region or General Office Department employees before being promoted to a Working Foreman job on other than a temporary basis. Notwithstanding the foregoing, successful performance as a temporary Working Foreman in a Region or General Office Department for a cumulative total of six months or more shall be presumptive evidence of meeting such requirements.

An employee in General Construction, other than an employee in a journeyman classification in the same Line of Progression as that in which the vacancy exists, must pass the appropriate agreed-to apprentice entrance tests, as designated in Paragraph A of the Master Apprentice Agreement before the employee's bid to fill a vacancy in an apprentice or a journeyman classification will be considered. The employee shall be entitled to retest following failure on the same schedule as a Region or General Office Department employee. (Amended 1-1-88)

TITLE 206. DEMOTION AND LAY OFF PROCEDURE

206.1 GENERAL RULES (REGULAR EMPLOYEES)

The provisions of Title 206 which are applicable to employees with one continuous year of service in cases of displacement, demotion, or layoff due to lack of work or the return of an employee from leave of absence for Union business or military service shall be applied in such manner as to give effect to the following: (Amended 1-1-94).

(a) Employees shall be given as much notice as practicable of Company's proposed action. Following such notice, and prior to the date of the proposed action, employees to be affected by the procedure due to lack of work shall be considered as though they had already been demoted, and, notwithstanding the provisions of Title 205, have their bids to fill vacancies, in the normal Line of Progression, considered under the provisions of Section 206.9. Subsection 206.1(b) through Section 206.14 shall apply to employees being displaced or demoted due to lack of work or employees being displaced by another employee due to lack of work. (Amended 1-1-00)

(b) An employee's Service, as defined in Section 106.3 shall be the determining factor in the application of this Title.

(c) Where a vacancy in an appropriate classification exists, the filling of such vacancy in accordance with the appropriate provisions of this Title shall be substituted for the displacing of another employee as provided herein. (Amended 1-1-00)

(d) An employee may not elect to displace another employee whose Service is equal to or greater than his/her own. An employee may not displace an employee in a classification having a wage rate higher than that of his/her own classification except where such classification is considered to be the same in accordance with a Line of Progression as provided for the Title 600 and Exhibit IX - "Same Classifications" or where such classification is a beginners classification. (Amended 1-1-00)

(e) Employees shall be demoted, displaced, laid off, or effect elections under the provisions of this Title on the basis of their regular classification, headquarters and Line of Progression at the time of any such action.

(f) In the application of the Title, an employee shall not be placed in a job unless qualified to perform the duties.

(g) In the application of this Title, part-time employees and intermittent employees are considered to be a different classification than full-time employees under the same job title. Part-time employees and intermittent employees will not be able to displace full-time employees, regardless of seniority. Part-time employees can only displace other part-time employees in the same or lower classifications within their normal Line of Progression. Intermittent employees can

only displace other intermittent employees in the same or lower classifications within their normal Lines of Progression. (Added 1-1-88)

(h) No regular full-time employee will be displaced, demoted, or laid off due to the usage of part-time employees. Further, at a headquarters where Title 206 is to be implemented, all part-time employees shall be affected prior to regular full-time employees. (Added 1-1-91)

206.2 NOTICES

The following notices shall be given in connection with the demotion, displacement and layoff provisions of this Title: (Amended 1-1-00)

(a) Company will give all employees as much notice as possible of an impending displacement, but in no case less than 14 calendar days. Further, Company will give an employee who is to be demoted or displaced due to lack of work as much notice thereof as possible, but in no case less than 14 calendar days. (Amended 1-1-00)

(b) All employees will be given an opportunity to notify the Company, through the completion of the employee option form, of their preferential order in which Section 206.3 through 206.7 shall be administered. This information will be kept on file for use in any displacement action and may be updated by the employee at any time up to 2 days prior to the start of a displacement action. Preferential consideration shall be given to employees in the order of their Service, while Company shall endeavor to give effect to an employee's preference in the order he/she has indicated. Length of Service shall be the determining factor where two or more employees express a preference for a single location. Company shall notify an employee as to the specific location to which such employee will be transferred. (Amended 1-1-00)

(c) An employee's failure to give the notice prescribed in Subsection (b) will result in the Company applying the following preference sequence: 1) 206.3 to immediate next lower classification; 2) regular sequence of consideration of 206.4 to Area, then Unit, then System; 3) 206.5 to Area and then Unit; 4) 206.6 to Area, then Unit, then System; and 5) 206.7 layoff. (Amended 1-1-00)

(d) Any transfer resulting from the application of this Section will be made effective at any time after the expiration of ten workdays from the giving of the notice provided for in Subsection (a). (Amended 1-1-88)

(e) By agreement between Company and Union, the notice periods in this Section may be extended. (Added 1-1-91)

An employee shall be demoted on a step by step basis; that is, the employee shall first be demoted in the reverse order of the normal Line of Progression for his/her classification to the next lower classification and, at such step, if the employee is subject to further demotion, the employee may exercise the election provided for in Section 206.4 or Section 206.5, as the case may be. If successive demotions must be made, the same procedure shall apply at each step until the employee is either placed in another job or is laid off. If more than one demotion is to be made, the within procedure shall first be applied to the highest classification to be affected, and then to successively lower classifications. (Amended 1-1-91)

(b) An employee who is not affected by this Title may elect to take a layoff under this Title, without employing applications of Sections 206.1 through 206.6, thereby reducing the number of employees affected. All expenses not specifically covered above are excluded from payment under this Section. (Amended 1-1-94)

Although there is no time limit on when the move should occur, notice of intent to move must be filed by the employee within 90 days after his/her transfer in order to qualify for reimbursement of moving expenses outlined above. All requests for reimbursement for moving expenses must be presented together with proper receipts before payment can be granted. (Amended 1-1-00)

(c) "Beyond commutable distance," as used above, shall mean a new headquarters located more than 45 minutes or 30 miles from his/her present residence. (Amended 1-1-94)

(d) An employee is not required to move within a commutable distance (45 minutes or 30 miles) to become eligible for a moving allowance, but must move closer to the new headquarters to qualify. (Added 1-1-00)

206.9 ACCELERATED PROMOTION

For the purpose of enabling employees who have been demoted or transferred under the provisions of this Title, or to enable employees who have been on or are on Long-Term Disability status, to return to their former status (includes former classification and department and/or any other intermediate classification in the department and in the Line of Progression), on an accelerated basis, Company will give preferential consideration in the following sequence to the bids and transfer applications submitted by such employees on any job vacancy: (Amended 1-1-00)

(a) Bids and transfer applications submitted by employees who formerly worked in such job classification and headquarters, and who were transferred from such headquarters, demoted from such classification, or were placed on Long-Term Disability status from such headquarters. (Amended 1-1-91)

(b) Bids and transfer applications submitted by employees listed in Subsection (a) above who formerly worked in such job classification and Area. (Added 1-1-00)

(d) Should an employee return to a classification and/or Line of Progression under the provisions of Section 206.13 other than one from which such employee was demoted, transferred or laid off, such placement shall not be considered as voluntarily removing himself/herself from the Line of Progression to which such employee would have accelerated promotional rights under the provisions of this Section. (Amended 1-1-00)

In considering, under Subsections (a), (b) or (c), bids or transfer applications received from two or more employees on the same job, Company shall give preferential consideration to the bid or transfer application submitted by the employee who has the greatest Service. (Amended 1-1-00)

An employee who has been demoted or transferred under the provisions of this Title who thereafter voluntarily removes him/herself from the Line of Progression to which the employee was previously transferred or demoted shall not be given consideration under this Section. (Amended 1-1-91)

206.10 DEMOTION INTO UNIT FROM OUTSIDE

(a) When by reason of lack of work at the employee's headquarters the Company demotes into a classification in the collective bargaining unit a supervisory or other employee who was not at the time of demotion a member of such unit such employee shall thereupon be entitled to exercise the rights set forth in this Title. (Amended 1-1-91)

(Amended 1-1-88)

206.12 ENABLER

By written agreement between Company and Union, special provisions may be substituted for the provisions of this Title.

206.13 REEMPLOYMENT PROVISIONS

(a) Notwithstanding any other provision of this Agreement, a regular employee who has been laid off for lack of work pursuant to the provisions of this Agreement for a period not in excess of thirty months and who had one or more years of Service at the time of layoff shall be entitled to preferential rehire on the basis of Company Service at the time of layoff, providing that the laid-off employee keeps the Company informed in writing of the current mailing address and telephone number for contact and the Part II Bidding Unit(s) and/or Part III Promotion-Demotion Geographical Area(s) for which reemployment will be accepted and whether the laid-off employee wants to be considered for part-time employment. The employee will be notified of the proper method for informing the Company. Company shall maintain one address to which the above notice may be mailed.

(b) When a vacancy exists in a:

(i) beginning classification covered by this Agreement, or;

(ii) classification above beginning level that is not filled pursuant to the provisions of Section 205.7 (a) through (d) or Section 305.5 of this Agreement, or;

(iii) part-time position that is not filled pursuant to the provisions of Section 205.5 (a), (b) or (d) of this Agreement.

Company shall provide notice of openings for reemployment as follows:

(1) By calling the last telephone number furnished by the laid-off employee and offering reemployment. If contacted by telephone, such employee must advise Company whether or not such employment will be accepted within three working days and the employee must be available for work within seven calendar days.

(2) If the laid-off employee cannot be reached by telephone, Company shall forward notice by Certified Mail Return Receipt Requested of openings for reemployment to the last mailing address as furnished by the laid-off employee.

Within three working days after such notice is received at such mailing address, such laid-off employee must advise Company whether or not the reemployment offer will be accepted, and the employee must be available for work within seven calendar days after so advising Company. If the certified letter is returned undeliverable, such employee will be considered terminated, and the next employee on the laid-off list may be notified of the opening.

(3) To expedite rehiring, more than one employee may be notified of an opening, but priority shall be given to employees in the order of Service at the time of layoff. If no employee remains on the laid-off list, the provisions of Section 205.5 will be invoked.

(4) Company shall not be required to contact laid-off employees when the openings for reemployment is outside the Part II Bidding Unit(s) and departments and/or the Part III Promotion-Demotion Geographic Area(s) and department(s) in which such employee has indicated a desire to accept reemployment.

(5) If Company cannot contact the laid-off employee by telephone and if no reply is received by Company within three working days after notice is received at the employee's mailing address, or if the laid-off employee does not accept reemployment to a full-time position or report for work within the time periods provided in this Subsection, such employee will be considered terminated, with no further reemployment rights under this Section, and the next employee on the laid-off list may be notified of the opening. If the laid-off employee declines an offer of part-time employment, such employee will not be considered for reemployment to future part-time positions.

(6) An employee returning to a classification under the provisions of this Section must possess the necessary skills, ability and physical qualifications to perform the duties of the position to which he/she returns.

(c) The Certified Mail Return Receipt in (b) above shall be retained by the Company for a period of one year after the notice was mailed to the laid-off employee and shall serve as proof of such notice actually being mailed. (Entire Section Amended 1-1-94)

206.14 JOURNEYMAN RETENTION

If in the application of the provisions of this Title an employee in a classification which, in the normal Line of Progression, is higher than an apprentice classification can effect a displacement in such classification, the former shall not take such apprentice classification, but shall be given the rate of the classification next higher thereto. (Amended 1-1-80)

DEMOTION OTHER THAN FOR LACK OF WORK

Except for Sections 206.9 and 206.12 the foregoing Sections 206.1 through 206.14 apply only to an employee demoted for lack of work. Demotion for any reason other than for lack of work is provided for as follows: (References Amended 1-1-80)

206.15 DEMOTION OF UNIT EMPLOYEE

An employee who is demoted for any reason other than for lack of work may be placed in a vacancy created in such employee's headquarters by the promotion of one or more employees to fill the job which the demoted employee vacated. If no such vacancy occurs the employee may be demoted to a vacancy in a lower classification in the Demotion Area in which he/she is employed or if no such vacancy occurs, the employee may be demoted to a vacancy in a lower classification in the Region in which he/she is employed. In the application of this Section, an employee shall be demoted to a vacancy in the first successively lower classification which the employee is qualified to fill. (Amended 1-1-91)

206.16 DEMOTION OF NON-UNIT EMPLOYEE INTO UNIT

(a) A supervisory or other employee who was not at the time of demotion a member of the collective bargaining unit but who formerly worked in a classification which is in such unit may be demoted for any reason other than for lack of work into a previously existing vacancy in such unit within the Demotion Area in which the employee is employed or into a vacancy which has been created in any Demotion Area by the concurrent transfer or promotion of an employee out of such unit in connection with such demotion. (Amended 1-1-91)

(b) In no case shall such demoted employee be placed into a classification that is higher than the classification held prior to leaving the bargaining unit subject to Subsection 206.1(f). (Amended 1-1-84)

(c) Company shall not demote into the collective bargaining unit a supervisor or other employee who was hired or left the bargaining unit January 1, 1991 or thereafter. (Added 1-1-91)

206.17 RELOCATION OTHER THAN FOR LACK OF WORK

When it becomes necessary to relocate individuals, crews, or groups of employees in a headquarters/office due to the closing of a reporting headquarters/office or when such relocation is necessitated by a shift of workload or other economic consideration, either of which is expected to be permanent, and where the number and the classification of jobs in the Demotion Area will be unchanged, the following procedure shall be followed: (Amended 1-1-91)

(a) All employees in a headquarters/office, including those on leaves of absence, off sick, on vacation, or off on disability, shall be considered on the basis of Service, as defined in Section 106.3, in the following Subsections.

(b) Employees with the greater Service shall be given the first opportunity to relocate.

(c) In the event there are insufficient volunteer(s) for such relocation, the employee(s) with the least Service in the affected classifications shall be relocated.

(d) Each employee in Subsection (c) above shall be given as much notice as possible of the impending relocation and such employee may elect either:

(1) to fill any vacancy in the employee's classification in the Demotion Area in which the employee is assigned, notwithstanding Subsection 205.6(a) or (Amended 1-1-91)

(2) to fill the vacancy in the employee's classification created at the new location where such job is relocated.

(e) An employee so displaced in Subsections (b) and (c) above shall be given preferential consideration under Section 206.9 to return to such employee's former headquarters/office.

(f) An employee relocated in accordance with Subsection (b) or (c) above shall be entitled, when appropriate, to the provisions of Section 206.8.

(g) Unassigned classifications, as provided for in the Master Apprenticeship Agreement, relocated under the provisions of this Section shall be immediately reclassified as "Assigned" to the headquarters/office where such job is to be relocated.

(h) Company shall not implement the provisions of this Section for the purpose of subverting Titles 201, 202, or 205.

(Entire Section Added 1-1-80)

206.18 TECHNOLOGICAL CHANGES

Company shall continue to provide Union with as much notice as practicable of technological changes in its business which may have a significant effect on its workforce. In such circumstances, Company and Union shall then meet to study and endeavor to adopt appropriate solutions, such as retraining or special placement, as may be practicable before Company implements the provisions of Titles 206, 306, and 19 of the Physical and Clerical Agreements. TITLE 208. OVERTIME

208.1 DEFINITION

Overtime is defined as (a) time worked in excess of 40 hours in a workweek, (b) time worked in excess of eight hours on a workday, (c) time worked on a non-workday, (d) time worked on a holiday as provided for in Title 103, and (e) time worked outside of regular work hours on a workday. Company shall not be required to pay overtime compensation more than once for any single period of time worked. Overtime shall be cumulated each day and shall be compensated to the one-quarter hour.

208.2 RATE AND DOUBLE TIME CONDITIONS

(a) In general, overtime compensation at the rate of one and one-half times the straight rate of pay shall be paid to employees for overtime as defined in Items (a), (b), (c), (d) and (e) of Section 208.1; except that

(b) the time worked in excess of 12 consecutive hours and continuing until the employee is dismissed from such work shall be paid at the rate of two times the employee's straight rate of pay, or

(c) if, following an employee's dismissal from work or on an employee's non-workday or holiday which the employee is scheduled to have off, the employee is called out for work, the employee shall be paid at two times the employee's straight rate of pay for all work performed outside the employee's regular work hours or on a non-workday or holiday which the employee is scheduled to have off. (Amended 1-1-88)

(d) The time worked in excess of eight hours on the employee's second of two scheduled days off counting from the first day of the basic workweek shall be paid at the rate of two times the employee's straight rate of pay provided such employee has performed work on the first scheduled day off. Employees scheduled to have four consecutive days shall be entitled, in addition to the above, to pay at the rate of two times the employee's straight rate of pay for the time worked in excess of eight hours on the fourth scheduled day off, provided that such employee has also performed work on the third scheduled day off. For employees on an alternative work schedule: If an employee performs work on any non-workday, the employee will receive double time after eight hours worked on the next day, provided that day is also a non-workday. Double-time after eight hours worked will continue until such time as the employee performs no work on a non-workday or a regular workday occurs. See examples in Letter Agreement 04-10. (Amended 7-25-12)

(e) For purposes of this Section, an employee's "regular hours of work" shall be the same on a non-workday as those regularly scheduled for such employee on a workday.

208.3 (Deleted 7-1-57)

208.4 TRUCK DRIVERS

In the event that the truck driver of a crew is required to work in excess of eight hours per day in connection with loading, unloading, and garaging trucks such excess time shall be considered as scheduled work time and shall be compensated for at the overtime rate.

208.5 TIME OFF IN LIEU OF OVERTIME -- PROHIBITED

Company shall not require employees to take equivalent time off during a workday in lieu of overtime compensation.

208.6 TRAVEL TIME -- EMERGENCY

Employees who are called from their homes for emergency work on their non-workdays, or on holidays which they are entitled to have off, or outside of their regular work hours on workdays shall be paid overtime compensation for the actual work time and travel time in connection therewith.

208.7 TRAVEL TIME -- CALL OUT BEFORE WORK HOURS

If an employee, who is called out for emergency work outside of such employee's regular work hours on a workday, continues to work into or beyond the employee's regular work hours the employee shall be paid overtime compensation for actual travel time only from his/her home. (Amended 1-1-91)

208.8 TWO-HOUR MINIMUM -- EMERGENCY

The minimum time for which overtime compensation shall be paid under the provisions of Section 208.6 shall be two hours, except that if an employee who is called out for emergency work outside of his/her regular work hours on workdays continues to work into or beyond regular work hours he/she shall be paid overtime compensation only for travel time as provided in Section 208.7 and for actual work time up to regular work hours unless the provisions of Section 208.11 are applicable. When an employee is called out for emergency work during his/her lunch period the minimum time provision hereof shall not be applicable, but such employee shall be paid at the overtime rate of pay for the actual time worked during the lunch period. (Amended 1-1-91)

208.9 TWO-HOUR MINIMUM -- SERVICE OR RESIDENT EMPLOYEE

If a service or resident employee is called for emergency work more than once in the 24 hour period from midnight to midnight, minimum overtime compensation as provided in Section 208.8 hereof shall be paid only for the first call outside of such employee's regular work hours on workdays or at any time on his/her non-workdays; for subsequent calls overtime compensation shall be paid for actual work and travel time as herein provided. For the purpose of this Section concurrent calls or successive calls without a break in work time shall be considered as a single call. If by reason of a call a service or resident employee works less than two hours and into regular work hours such call shall not be considered as a first call for the purpose of the minimum overtime compensation provision of Section 208.8 hereof. (Amended 1-1-91)

208.10 (Deleted 7-1-62)

208.11 REST PERIODS

If an employee has worked for eight hours or more at the overtime rate during the 16 hour period immediately preceding the beginning of the employee's regular work hours on a workday, such employee shall be entitled to a rest period of eight consecutive hours on the completion of such overtime work.

(a) There shall be included as part of the eight hours worked at the overtime rate in such 16 hour period any travel time and mealtime to which the employee is entitled when emergency or prearranged work is performed except that any travel time and mealtime to which the employee is entitled after being dismissed from work shall not be included as hours worked in such period, but it shall be included in the computation of the eight hour rest period. (Amended 1-1-91)

(b) Hours worked prior to any eight hour rest period in which the employee does not work shall not be included in computing another period of overtime work.

(c) If the eight hour rest period in whole or in part overlaps the employee's regular work hours the employee will receive pay at the straight rate for the extent of the overlap, except that the time taken during such overlap for any meal to which the employee is entitled on dismissal shall be paid for at the overtime rate. (Amended 1-1-91)

(d) If the employee is called back to work during his/her eight hour rest period a new rest period will commence at the conclusion of such work. (Amended 1-1-91)

(e) (1) If the rest period overlaps the employee's regular work hours but does not extend into the second half of the employee's workday, the employee shall be excused from reporting for work until the beginning of the second half of the employee's workday, and in such an event the employee shall be paid for the time between the expiration of the rest period and the end of the first half of such workday. (Amended 1-1-88)

(2) If the rest period extends into the second half of the employee's workday, the employee shall be excused from reporting for work until the following workday, and in such event the employee shall be paid for the time between the expiration of the rest period and the employee's regular quitting time on such day. (Amended 1-1-88)

(3) In the application of the foregoing, an employee, due to operational needs, may be required to report to work at the end of the employee's rest period. (Amended 1-1-88)

(f) An employee entitled to a rest period hereunder may nevertheless be required to work during regular work hours on a workday without having had a rest period of eight consecutive hours, in which event the employee shall be paid at two times the straight rate of pay for all work performed until the employee has been relieved from duty for at least eight consecutive hours. (Amended 1-1-91)

208.12 PREARRANGED OVERTIME

When, at the request of the supervisor in charge, an employee reports for prearranged work (a) on workdays outside of his/her regular work hours, the employee shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond the employee's regular work hours, such employee shall be paid overtime compensation only for travel time from the employee's home and for actual work time up to the employee's regular work hours unless the provisions of Section 208.11 are applicable; (b) on non-workdays or on holidays, the employee shall be paid overtime compensation for actual work time and for travel time in connection therewith. For the purpose of this Section prearranged work is deemed to be work for which advance notice has been given by the end of the employee's preceding work period on a workday. However, Company shall make a good faith effort to notify the employee at least 24 hours in advance of the need to perform prearranged overtime work on non-workdays or holidays. (Amended 1-1-88)

208.13 MINIMUM PAY

The minimum time for which overtime compensation shall be paid under the provisions of Section 208.12 shall be two hours, except that if an employee, who has been notified to report for prearranged work outside of his/her regular work hours on workdays, continues to work into or beyond regular work hours, the employee shall be paid overtime compensation only for actual work time up to regular work hours, and for travel time as provided in Section 208.12 hereof. (Amended 1-1-91)

208.14 MINIMUM PAY - CANCELLATION

If an employee is instructed by his/her supervisor to report for prearranged work on a non-workday or on a holiday which the employee is entitled to take off with pay, and such work is canceled, the employee shall be paid overtime compensation for a minimum of two hours, inclusive of any travel time as provided for in Section 208.12, if the employee is not given notice of the cancellation of such work by the end of his/her preceding work period on a workday. (Amended 1-1-91)

208.15 (Deleted 7-1-62)

208.16 EQUAL DISTRIBUTION -- PREARRANGED OVERTIME

(a) Prearranged overtime work shall be distributed among employees in the same classification and in the same location as equally as is practicable. The Company will post accumulative prearranged overtime worked or credited as worked for each person each month. The method for practicable equalization of prearranged overtime should be developed at each location by agreement between Company and Union. Such procedure should be in writing and signed by both parties. Whether procedures are developed or not, it is incumbent on Company to comply with the provisions of this Subsection concerning equal distribution. Where an imbalance cannot be justified, paying the aggrieved employee(s) is an appropriate remedy after the end of the accounting period, although this does not preclude other local agreements. (Amended 1-1-91)

(b) An employee who is scheduled to be off on vacation shall not be scheduled for work under this Section for the period between the end of the employee's last regular day of work preceding the employee's vacation and the start of the employee's first regular day of work following the vacation. An employee who is off due to illness or injury shall not be scheduled for work under this Section until the employee returns to work on a regular workday.

208.17 SHORT CHANGE

If Company establishes a regular schedule by which a shift employee will have less than 16 hours off between shifts, the employee shall be paid overtime compensation for any time worked in the 16 hour interval following the end of his/her last preceding regular shift. If a schedule which provides for less than 16 hours off between shifts is established by agreement between Company and Union the within provision for the payment of overtime compensation shall not apply. (Amended 1-1-91)

208.18 CHANGE OF SHIFTS

When a shift or service employee is transferred from one schedule of workdays or work hours to another the employee shall not be entitled to overtime compensation for work performed during regular work hours of any day involved in the transfer, provided that (a) the employee has been notified of such transfer not less than 24 hours in advance of the starting time of the new shift or work period; (b) the employee has had a minimum of eight hours off between shifts or work periods; (c) as a result of such transfer the employee has not been required to work more than 40 hours at the straight rate in any workweek involved; and (d) the employee has not been required to work more than two short changes in the workweek involved. (A short change is defined as a transfer from one schedule to another with but eight hours off between shifts or work periods.) (Amended 1-1-91)

208.19 NON-SHIFT EMPLOYEE ASSIGNED TO SHIFT

(a) When by reason of an emergency in the operation of a plant or other property an employee, other than a shift employee, is transferred from his or her regular schedule to a shift schedule which has been regularly established he/she shall be entitled to overtime compensation for the first eight hour shift, unless the employee has been notified of such transfer at least 24 hours in advance of the starting time of such shift schedule. (Amended 1-1-91)

(b) Section 208.18 and Subsection 208.19(a) shall not apply in the case where an employee works outside of his or her regularly scheduled work hours for one day or less, but in such case Subsection 208.1(e) shall apply. Sections 208.18 and 208.19 shall apply when an employee is returned to the schedule of workdays or work hours from which the employee had previously been transferred under the provisions of said Sections. (Amended 1-1-88)

208.20 RELIEF SHIFT EMPLOYEES

An employee who is classified to perform relief duties shall be available for duty in revolving shifts on any day of the week, and may be assigned for the relief of any shift in any such occupations without advance notice. Such employee shall not as the result of such relief assignments be paid overtime compensation for work performed during the regular work hours of such shift, provided, however, that in the event that the employee shall be required to report for work without having had 12 hours off following the end of his/her last preceding work period the employee shall be paid overtime compensation for any time worked in the 12 hour period following the end of his/her last preceding work period. A work period is defined as any eight hour shift or extension thereof. (Amended 1-1-91)

208.21 (Deleted 1-1-97)

208.22 HOLIDAY PAY

An employee in a classification listed in Subsection 103.7(a) who reports to work on a holiday in accordance with his/her regular schedule shall, in addition to the holiday pay, be entitled to compensation at the overtime rate of pay for the shift or work period involved but shall not be entitled to travel time in connection therewith. (Amended 1-1-91)

208.23 THREE WEEK LIMIT

Except where a hazard to life or property exists, employees will not be required to work more than three consecutive weeks without having two consecutive days off. In the application of this Section, if a regularly established shift (as defined in Clarifications Sections 208.23, 308.15 and 202.17) begins on one workday and ends on the next, it will count as one day toward the three week limit. TITLE 212. EMERGENCY DUTY

212.1 GENERAL PRINCIPLES

(a) The provisions of this Title shall be interpreted and applied in a manner consistent with the parties' purpose and intent in negotiating a voluntary on-call system for emergency duty contained herein, namely that when employees volunteer for emergency duty they are making a definite commitment to be readily available for call-out; and in turn, Company will call the volunteer with the least amount of recorded emergency overtime hours. When there are insufficient volunteers available for emergency duty, Company will continue to require employees to report for work on an emergency basis.

(b) Employees shall not be required to be on-call, however, Company with Union's cooperation shall establish a call-out procedure for employees who volunteer to be readily available for duty in case of emergency. Assignments of emergency work shall be distributed and rotated as equitably as practicable among qualified employees in the same classification and in the same location who have volunteered to be available. The time during which an employee is available for duty shall not be considered as hours worked.

212.2 ANNUAL AND WEEKLY SIGN-UP

(a) Company will prepare a list at each headquarters of those employees who volunteer for emergency work. In calling employees to respond to emergency situations involving immediate hazard to life or property, Company will give preferential consideration to employees whose residences are located within 30 minutes automotive travel time, under ordinary travel conditions, from their headquarters. For emergencies not involving immediate hazard to life or property, Company will give preferential consideration to employees whose residences are located within 60 minutes automotive travel time. This list will start on January 1 and continue until December 31 at which time a new voluntary call-out list will be prepared. On January 1, the accumulated overtime will be reduced to zero for all employees. This procedure is to be continued annually thereafter. (Amended 10-1-03)

(b) In administering Subsection (a) above, Company shall establish a sign-up procedure whereby a form will be posted in each headquarters on Monday of each week soliciting voluntary sign-up overtime for the period of the following Friday at 4:30 p.m. through the next Friday at 8:00 a.m. The list should provide for sign-ups by classification. It is to be removed on Tuesday evening and reposted Wednesday afternoon showing the names of those who have volunteered by classification, with the employees having the least overtime accrued at the head of the list. Until quitting time on Thursday afternoon, employees whose names appear on the list will have the opportunity to remove themselves from the call-out roster or note in writing on the list that all contact information is correct. This open period will allow employees to reevaluate their commitment after they determine where they stand in the call-out sequence. Employees who do not take the opportunity to remove their names from the roster will be expected to meet the commitments of availability as described earlier in this interpretation. (Amended 1-1-00)

(c) Employees who do not remove themselves from the call-out roster as provided for above nevertheless shall be allowed the opportunity to remove themselves during the week under the following conditions:

- (1) Regular scheduled attendance for educational purposes with advance notice.
- (2) Participation in civic or church activities with advance notice.
- (3) All other instances limited to twice a week with advance notice.

212.3 CALL OUTS AND RESPONSE

In the event employees are called for emergency overtime and refuse or cannot be reached, they will nevertheless be credited on the appropriate list with equivalent overtime in the same amount as received by those who did the work. Company is only required to make an attempt to contact by telephone an employee during an emergency period and such employee will be charged only one refusal. "An attempt" includes redialing a telephone number once when a busy signal or no answer results from the first attempt. In the case of an employee off sick during his/her regular work hours, the employee will not be called nor be credited with equivalent overtime until he/she returns to work on a regular workday. An employee who left work for a doctor or dentist appointment shall be considered as available for emergency call-out. An employee who is called out but unable to work due to illness will nevertheless be credited for equivalent overtime in the same amount as the person who actually performs the work. The employee will not be called again nor credited with any further equivalent overtime until he/she returns to work on a regular workday. When an employee is on vacation or is working or is scheduled to work prearranged work, who would otherwise have been called for overtime, the employee will not be credited with the equivalent overtime if he/she does not work it. For the purpose of this procedure, vacation will begin when an employee leaves his/her work

headquarters on the last workday and ends when the employee reports back to work. (Amended 1-1-91)

212.4 RECORDS

During each week, the General Foreman's clerical force or equivalent will post the overtime worked or credited as worked for each person for that week and will, at the end of the week, run up a new accumulated total, update the list, post them, and distribute them to the supervisor concerned with overtime call-out for the next week. Overtime so posted as worked shall be actual work time. In order that it may be apparent whether overtime was actually received or credited as if worked under Section 212.3 above, the latter will be "circled" on the lists to show the difference. Both normal and "circled" hours will be added together in running up the new accumulated totals. An employee who signs the list provided for in Subsection 212.2(a) but not the current weekly list, and who is called out, shall be credited with all overtime hours worked.

212.5 NEW EMPLOYEE ON LIST

A new hire, a person coming back off of a leave of absence, or a person not previously volunteering for emergency duty will initially be credited with one hour more than the maximum accrued in his/her classification. In other words, the employee would "go to the bottom of the list." (Amended 1-1-91)

212.6 ADDITION DUE TO BIDDING, ETC.

A person bidding into or demoted to a new classification or new headquarters, or a person coming back off of an extended sickness will initially be credited with mean accumulated hours for the new classification and headquarters. In other words, the employee would "go to the middle of the list" on the assumption that overtime had been equitably distributed at his/her previous headquarters. (Amended 1-1-91)

212.7 TEMPORARY UPGRADES

Employees temporarily upgraded, whether on a time-card basis or not, shall have overtime worked or credited at the temporary rate posted to their permanent classification.

212.8 EXTENSION OF WORKDAY

For purposes of this procedure when overtime results because of unanticipated continuation of the workday, such overtime will be recorded as emergency overtime.

212.9 MAJOR EMERGENCY

In the event of an emergency situation where more than 50 percent of the employees in a given headquarters are called out, an employee refusing or who cannot be reached will nevertheless be credited with the mean overtime of those working during the given emergency situation.

212.10 SERVICE EMPLOYEES

In the distribution of emergency overtime for service personnel, the purpose and intent described in Subsection 212.1(a) shall be applicable; but the current call-out procedure shall remain in effect unless specifically changed by written agreement between the Human Resources Advisors and the appropriate Business Representative. (The call-out procedures currently in effect should incorporate the sequential order of call-out; the rotation of call-out, if any; and the provisions for calling out additional help or replacing an absent employee.) (Amended 1-1-94)

212.11 GRIEVANCE SETTLEMENTS

In the event that a grievance arises over the administration of this procedure, the following methods will be used in adjusting the dispute:

(a) When it has been determined by the Local Investigating Committee that it was impractical to use the emergency overtime call-out procedure, the actual overtime worked will be charged to those employees who worked and the grievance settled without adjustment.

(b) When it has been determined by the Local Investigating Committee that the Company made a mistake in the administration of this procedure, the Company will pay the aggrieved employee for the time lost. However, if it has been determined that the employee contact information was incorrect, the Company will not be required to pay the employee for any time lost caused by incorrect contact information, on the call-out list furnished by the employee. (Amended 1-1-00)

(c) When it has been determined by the Local Investigating Committee that the overtime was improperly assigned to an employee in another classification or crew in another service area thereby making equitable distribution impossible, the aggrieved employee(s) will be paid for the time that was lost.

(d) Employees who received overtime payment for time not worked as a result of a misapplication of this Section will nevertheless be credited on the appropriate list the amount paid as if they had actually worked.

(e) If during an accounting period an employee fails to respond when called on more than six separate occasions, the employee will be removed from the voluntary call-out list for that period. (Amended 1-1-91)

212.12 ENABLER

By written mutual agreement between the local Human Resources Advisor and the local Business Representative of Union, other call-out procedures may be developed locally. Such local agreement must include a 30-day cancellation clause by either party. If voluntary agreement is not reached, the provisions of Title 212 will remain in effect. (Amended 10-1-03)

TITLE 213. (Deleted 7-1-57)

TITLE 214. (Deleted 1-1-74)

PART III

GENERAL CONSTRUCTION EMPLOYEES ONLY

TITLE 300. APPLICATION

300.1 The provisions of Part III of this Agreement shall apply only to field employees of General Construction, and those employees regularly assigned to a General Construction Service Center. Whenever the words "employee" and "employees" are used in this Part they shall, unless otherwise noted, be construed to refer only to such employees for whom Union is the exclusive bargaining representative.

TITLE 301. EXPENSES - FIELD EMPLOYEES

301.1 APPLICATION

Employees who are transferred from a present headquarters to one at a new location, or who are reemployed at a new location within thirty months after layoff for lack of work at a previous location, shall be allowed expenses as provided for in Section 301.4. Transfer to a new location or reemployment at a new location shall mean one of the following: (Amended 1-1-94)

(a) a change initiated by the Company from an established job headquarters or point of assembly location within an employee's own Residence Area or Hiring Location to a location outside such area; or; (Amended 1-1-09)

(b) a change initiated by the Company from an established job headquarters or point of assembly location at which the current expense status is based. (Amended 1-1-09)

(c) a change due to a job award under the provisions of Section 305.7 or 305.8 will not result in the payment of per diem and will require a 50 mile move from the new headquarters to qualify the employee for per diem. (Added 1-1-09)

301.2 MILEAGE MEASUREMENT

(a) Expense allowances provided for in Sections 301.4 and 301.9 shall be paid, or free board and lodging provided for in Section 301.5 shall be allowed, to an employee only when the job headquarters or point of assembly to which the employee has been transferred or reemployed is outside the boundary of the employee's Residence Area, except as provided in Subsection 301.4(b).

(b) All road mile measurements for the purpose of establishing Residence and per diem expenses shall be determined by measuring distances on electronic road maps acceptable to Company and Union. However, when it is not possible to obtain such map measurements, a field check to the nearest measurable point shall be made. Routes selected for road mile measurement shall be accessible by automobile. Accessible by automobile is defined as a route that is: (1) reasonable and practical, (2) regularly maintained in reasonable repair, and (3) is safely traversable in a standard 2-wheel drive passenger car. (Amended 1-1-09)

(c) An Employee's Residence and Hiring Location must be an address in California and must be included in the Company's Service territory. (Amended 1-1-09)

301.3 RESIDENCE DEFINITION

An employee's Residence and Residence Area shall be determined and used to establish eligibility for expense allowances in accordance with the following:

(a) An employee's Residence is defined as the principal place of abode in the Company system in which the employee normally resides (1) on a regular basis and from which the employee commutes daily or weekly to work locations, or (2) one which the employee has a financial responsibility to maintain and to which the employee returns to live on most weekends while on work assignments at more distant job locations. An employee establishes a Residence by filing a Residence Certificate. (Amended 1-1-09)

(b) An employee's Residence Area is defined as a zone extending 25 road miles from the employee's residence. (Amended 1-1-09)

(1) Hiring Location is the location where the employee was hired or placed in accordance with Section 305.7 or 305.8. (Added 1-1-09)

(c) Per Diem Eligibility

(1) An employee who is newly hired, rehired more than 30 months after layoff due to lack of work or rehired after any other type of termination must designate a Residence as defined in Subsection 301.3(a). However, this employee shall not be eligible for per diem expenses as provided in Section 301.4 until the employee is transferred to a job location more than 50 road miles from the city hall of the city or town in which the employee was hired or rehired. If the hiring or rehiring location is not established within the limits of a city or town, the 50 road miles will be measured from the point of assembly. (Amended 1-1-09).

(2) An employee who is newly hired, rehired more than 30 months after layoff due to lack of work or rehired after any other type of termination must designate a Residence as defined in Subsection 301.3(a) or (d). An employee who transfers or prebids under Section 305.7 or 305.8 shall not be eligible for per diem expenses as provided in Section 301.4 until the employee is transferred under the provisions of this Title: (Amended 1-1-09)

(i) to a location more than 50 road miles from the Reporting Location in which the employee was hired or rehired, (Amended 1-1-09)

(ii) Deleted 1-1-09

(iii) such employee shall not become eligible for per diem as a result of an exchange or rotation pursuant to Section 301.18 provided that the next transfer returns the employee to the original hiring area (as defined above), except that while the employee is working within a commuting distance (as defined in Subsection 301.18(b)) of such employee's residence area, the employee may receive per diem as provided in Section 301.4.

(iv) Deleted 1-1-09

(d) Change of Residence

(1) An employee may change Residence as defined in Subsection 301.3(a) at any time; however, the employee may have only one Residence at a time. An employee who changes Residence under this Subsection must file a new Residence Certificate immediately. The new Residence Certificate will become effective on the date of the change of Residence. (Amended 1-1-09)

(2) Since the payment of per diem expenses is based upon the location of the employee's Residence, the employee is vouching that the Residence Certificate does, in fact, identify a Residence (as defined in Subsection 301.3(a)) and not temporary living accommodations. Any employee who knowingly falsifies or delays filing such a Residence Certificate shall be required to reimburse the Company for any overpayment of per diem and shall be subject to disciplinary action, including discharge. (Amended 1-1-09)

301.4 EXPENSE ALLOWANCES

Subject to the provisions of this Title, employees who provide their own board and lodging shall be entitled to per diem expense allowance as follows:

(a) Each scheduled day an employee works in the basic workweek or is prevented from performing such scheduled work by inclement weather conditions covered in the Title 303; each day an employee reports for prearranged or emergency work on a non-workday; holidays which fall on a workday in the basic workweek provided such an employee works on the adjacent workday or such day is also observed as a holiday pursuant to the provisions of Title 103; each non-workday during which an employee is required to take more than four hours of travel time under the provisions of Section 301.11.

| Zone | Road Miles from the Employee's Residence to the Reporting Location | Amount of Per Diem |
|-------------|---|---------------------------|
| 1 | More than 25 but 45 or less | \$11.00 |
| 2 | More than 45 but 65 or less | \$20.00 |
| 3 | More than 65 | \$30.00 |

(Amended 1-1-09)

Employees in Zone 3 have a choice. They can elect to commute and receive Zone 3 per diem or choose to stay overnight and receive Zone 3 per diem plus full reimbursement for lodging or use the normal method of payment as established by Company (e.g., P-Card, Corporate Credit Card, or other method adopted by Company) where payment is made by Company. The employee must indicate on the daily time card which choice s/he has made for that day. (Amended 1-1-09)

(b) If a new Residence is established by an employee who is being transferred to, or is presently reporting at, a job headquarters location which is outside the present Residence Area but inside the proposed Residence Area, the employee will be eligible to receive per diem expenses at the per diem rate established for Zone 1 only until the completion of 52 consecutive weeks at his or her current headquarters location (measuring from the date the employee was transferred to the current headquarters). If such 52 consecutive week period has elapsed when an employee makes such a Residence change, the employee will not be eligible for per diem expenses until he or she is transferred to a job location outside his or her new Residence Area. (Amended 1-1-83)

(c) An employee cannot qualify for per diem expense allowances and/or increase his/her per diem by moving his/her Residence further from his/her job headquarters. Such employee's per diem status and/or rate of per diem shall remain unchanged until his/her next following transfer. (Amended 1-1-91)

(d) The continuity of the consecutive workweek periods referred to in Subsection (b) shall not be broken by the special assignment of an employee under Section 301.9, but such workweek periods shall be extended by a period of time equal to the period of time of such special assignment.

(e) When an employee who maintains a temporary residence while on a job that is outside his/her Residence Area, or the employee who is receiving expenses under Subsection 301.4(b), is unable to work due to illness, he/she shall be allowed per diem expense for up to five workdays during any single period of illness. Employees who have temporary residences will qualify for this allowance by providing evidence that this residence was maintained during the period of illness. (Amended 1-1-91)

(f) The supervisor in charge may authorize lodging for seven days a week based on reasonable costs. (Added 1-1-09)

301.5 COMPANY PROVIDED FACILITIES

Employees may elect to use Company-provided camp and boarding facilities in lieu of providing their own board and lodging pursuant to Section 301.4 or Subsections 301.9(b) or (c), in which case Company shall provide such employees board and lodging for the duration of the periods they work at locations where board and lodging facilities are made available. Such camp and boardinghouse facilities shall be of reasonable quality. (Amended 1-1-84)

301.6 IN LIEU OF EXPENSES

An employee may receive expense allowances under Section 301.4 or 301.9, or the employee may elect to use the Company-provided board and lodging referred to in Section 301.5; however, the employee will not be allowed to receive benefits under more than one section at the same time. (Amended 1-1-84)

301.7 MOVING EXPENSES

If an employee is moved from one camp to another on a single project Company shall reimburse him/her for traveling expense and for other expenses incurred therein in transporting his/her household goods. (Amended 1-1-91)

301.8 PROJECTS

Provisions will be negotiated on an individual project basis, as needed, with the Union. (Amended 1-1-91)

301.9 SPECIAL ASSIGNMENT-FIELD EMPLOYEES

When the Manager in charge orders that an employee be temporarily detached from the employee's established headquarters and assigned to a temporary, emergency, or special job at another location outside the employee's Residence Area with the expectation that he or she shall return to such headquarters within a 30-day period, or orders that an employee be sent on a special temporary assignment to a location outside the employee's Residence Area, while enroute between jobs, the employee shall be eligible to elect either option (a) or (b) below.

(a) Such employee shall be reimbursed for actual board and lodging expenses incurred therein for a period not to exceed 30 consecutive days. Reimbursement for actual expenses shall be made after the employee submits an Expense Account accompanied by receipts for lodging and receipts for any meals. All expenses are expected to be reasonable and appropriate for the geographical location in which the temporary assignment is located. If such temporary, emergency, or special job location is at a headquarters or point of assembly at which Company-provided board and lodging are available, the employee shall not be eligible to select the provisions of this option (a) but shall be eligible to select the provisions of option (b) below. If an employee's temporary, emergency, or special job assignment continues beyond 30 consecutive days, it shall not thereafter retain its temporary character but shall be deemed to be a transfer to a new headquarters, in which event the employee shall be entitled to a per diem allowance under the provisions of Section 301.4. (Amended 1-1-09)

(b) While on special temporary assignment at one location an employee may elect to receive for the period on special assignment, a per diem allowance equal to the amount such employee is eligible to receive under Subsection 301.4(a) in lieu of reimbursement for actual expenses provided for in this Section for:

(1) each scheduled day he or she works in his or her basic workweek or is prevented from performing such scheduled work during inclement weather conditions covered in Title 303;

(2) each day he or she reports for work on a non-workday and;

(3) holidays which fall on a workday in his or her basic workweek, provided that the employee works on an adjacent workday or such day is also observed as a "holiday" pursuant to the provisions of Title 103.

(c) Notwithstanding any of the foregoing, a series of short assignments (30 days or less each) by an employee in the Station Communications, Instrumentation, or Protection Group or Gas Instrumentation and Control Group or the Field Mechanical Services Group Lubrication or Crane crews or the Line Department Tower Group or any other group(s) hereafter agreed to by Company and Union shall be considered a special temporary assignment for the duration of such series of assignments. In no event shall the employee be paid expenses at two locations concurrently. Such series of assignments will not constitute changes in headquarters for the purposes of Section 301.1. (Amended 10-1-03)

(d) Any continuous period of attendance at a Company training class which has been agreed to between Company and Union shall be considered a special temporary assignment for the duration of such assignment and shall qualify for expenses as provided in Subsections 301.9(a) and (b) above, except, however, while on such training assignment an employee whose residence is more than 50 road miles away from such training facility may be required to utilize board and lodging which is provided by Company, in lieu of receiving per diem or full expenses. An employee whose residence is located between 25 and 50 miles of the training facility may elect to utilize the Company provided board and lodging or a per diem expense allowance as provided for in Subsection (b) above. Such board and lodging shall be of reasonable quality. Such assignment will not constitute a change in headquarters for the purposes of Section 301.1. Travel to such classes shall be considered as time worked. (Amended 1-1-09)

(e) Employees who are sent on special temporary assignment and are required to use Company transportation to the temporary location will be provided transportation to the extent reasonably possible and subject to the availability of appropriate Company vehicle(s) for meeting their personal needs. (Amended 1-1-88)

301.10 ILLNESS WHILE IN CAMP

Notwithstanding the foregoing sections of this Title, an employee shall not be entitled to an expense allowance for any day he or she is absent from duty by reason of illness, or other personal reason except as provided for in Subsection 301.4(e). Camp and boarding house facilities shall, however, be available at no cost for not more than five days during a period of illness of an employee who has elected to receive board and lodging under Section 301.5. (Amended 1-1-84)

301.11 TRAVEL ALLOWANCE

(a) When an employee is transferred to a new job headquarters or point of assembly, the employee shall be compensated for either (1) the actual time the employee spends traveling from his/her former job headquarters or point of assembly, exclusive of stopovers or (2) one hour for each 45 miles or portion thereof traveled, whichever is greater. (Amended 1-1-88)

(b) Where possible, all travel time pursuant to this Section 301.11 shall be taken during regular work hours on a workday, and shall be compensated at the straight rate of pay for the classification the employee will hold at his or her new headquarters or point of assembly, except that if Company requires an employee to travel outside of regular work hours or on a non-workday the travel time outside of regular work hours or on a non-workday shall be paid at one and one-half times the straight rate of pay for the classification the employee will hold at his or her new headquarters or point of assembly. (Amended 7-25-12)

(c) When transportation facilities therefore are not furnished by Company or other mode of transportation is not authorized in advance, reimbursement of transportation expense at the maximum non-taxable vehicle mileage allowance allowed by the IRS shall be made. (Amended 1-1-00)

*(d) The foregoing provisions of this Section do not apply if the employee is transferred from one headquarters or point of assembly to another headquarters or point of assembly and each of the following provisions apply: (Amended 1-1-91)

- (1) both locations are 25 road miles or less from each other; and
- (2) both locations are within 60 road miles of the employee's residence area; and
- (3) the employee normally commutes from home to both locations. (Amended 1-1-91)

(e) Company shall make a good faith effort to notify an employee at least 24 hours in advance of a change in headquarters or point of assembly. (Added 1-1-94)

*Note: Exception, if more than one such transfer is made in a workday, the employee shall receive mileage pursuant to Subsection 301.11(c) and shall be allowed actual travel time during regular work hours. (Subsection Added 1-1-88)

301.12 VEHICLE DRIVER PROVISIONS

If a driver of a vehicle cannot be released from duty when the crew is moved to a new location, and is required to return to his or her former headquarters to remove personal effects, such employee will be allowed round trip travel time under Section 301.11. In addition, if appropriate arrangements to transport the employee back to the former headquarters cannot be provided by the Company, the employee will be allowed the mileage expenses provided in Section 301.11 for his/her return to the former headquarters.

301.13 TRANSFER - GENERAL CONSTRUCTION SERVICE CENTERS

(a) An employee holding a General Construction Service Center classification shall not be subject to transfer to other job locations as are field employees and shall not be entitled to a per diem allowance or other expense allowance, except as provided for in Subsection (b) below, while at the Center. If, however, such an employee transfers to the field, the employee shall file a Residence Certificate, as provided in Section 301.3, on or before the date of such transfer; any per diem expenses due the employee will be based on such Residence Certificate. (Amended 1-1-84)

(b) If an employee is transferred to a General Construction Service Center as a result of the application of Title 306 of this Agreement the employee shall be entitled to a Relocation Allowance equal to the applicable per diem amount for field employees, as provided for in Subsection 301.4(a), based upon the employee's Residence (as defined in Subsection 301.3(a)) at the time of the transfer, except that the maximum Allowance shall not exceed that of the Zone 3 per diem amount. Such Relocation Allowance shall be paid for each scheduled day the employee works in his/her basic workweek and each holiday which falls on a workday in his/her basic workweek, and shall continue (1) for 26 weeks from the date of the employee's placement in the Service Center, or (2) until he/she returns to a Service Center from which he/she transferred under the provisions of Title 306, or (3) until he/she is otherwise transferred, whichever occurs first. (Amended 1-1-91)

301.14 SPECIAL ASSIGNMENT - SERVICE CENTER EMPLOYEES

When an employee who is holding a General Construction Service Center classification is assigned to temporary work at such distance from the established headquarters at the Center that it is impracticable to return thereto or to the employee's regular place of abode, actual personal expenses for board and lodging for the duration of such assignment shall be allowed. All expenses

are expected to be reasonable and appropriate for the geographical location in which the temporary assignment is located. The time spent by such an employee in traveling to such temporary job at its beginning and from it at its conclusion and any expense incurred therein shall be paid by Company. (Amended 1-1-83)

If on an employee's non-workdays any such employee remains at such temporary headquarters, expenses for board and lodging on such days shall be paid by Company, but if the employee goes elsewhere for personal convenience, Company shall not reimburse the employee for any expense that the employee incurs thereby. If any such employee returns home for non-workdays, including any holiday which immediately precedes or follows the employee's non-workdays, Company at its option shall: (Amended 1-1-83)

(a) allow the equivalent of any savings it realizes in the employee's board and lodging costs, or

(b) provide round-trip transportation by Company vehicle between the temporary headquarters and the regular headquarters at the Center and pay travel time in each direction, such travel time to be considered as time worked.

301.15 (Deleted 1-1-84)

301.16 HARDSHIP TRANSFERS

(a) Notwithstanding anything contained herein, Company by agreement with Union may transfer any employee who requests such a transfer for substantial reason. Such transferred employee shall not be entitled to travel time or reimbursement of transportation expense. Upon written request from an employee, submitted concurrently to Company and Union on the appropriate form, Company and Union shall give such request good faith consideration. Any transfer granted under the provisions of this Section shall remain in effect until the substantial reason which justified the transfer no longer exists or for a period not to exceed 6 months, whichever is less, unless Company and Union agree to an extension of the time period in increments not to exceed six additional months. (Amended 1-1-88)

(b) If granted a hardship under the provisions of Subsection (a) above and upon the conclusion of the period for which a hardship transfer was granted Company transfers the employee back to the previously assigned job headquarters where the hardship was granted, such employee shall retain the same per diem status as previously held at that job headquarters. If such employee is transferred to a different job headquarters from where the hardship was granted, such employee shall be eligible for per diem pursuant to the provisions of Sections 301.3 and 301.4. (Added 1-1-88)

301.17 EXPENSE ALLOWANCE ERRORS

If an error is made in the expense allowance to which an employee is entitled which results in an overpayment to the employee, the employee shall not be required to reimburse the Company beyond the first 60 days of such overpayment. However, extenuating circumstances may relieve the employee of responsibility of reimbursement for overpayment of less than 60 days.

301.18 WORK ASSIGNMENT -- RESIDENCE CONSIDERATION

The parties recognize that the work of General Construction may often require working at a job location outside of an employee's residence area. The parties also recognize the Company's right to transfer employees at its discretion to perform the work assigned to General Construction. Nevertheless, it is the Company's intent to attempt to place employees as close to their residence as possible, commensurate with General Construction's work assignments.

(a) Such intent may include the exchange of headquarters between employees in same or equivalent classifications who possess similar skills, knowledge and abilities and who mutually agree to such an exchange.

(b) Further, such intent may take into consideration the rotation, when practical, at reasonable intervals, of those employees in the same or equivalent classifications who possess similar skills, knowledge and abilities who have worked long distances from their residence area with those employees who have remained within a reasonable commuting distance (75 road miles or less but not more than 1-1/2 hours normal travel time) of their residence areas for similar periods of time. For the purpose of this Section "reasonable intervals" is considered to be approximately 6-12 months. Employees in Apprentice classifications may be required to forego consideration for rotation, due to training requirements, for the duration of their apprenticeship.

(c) Employees who exchange headquarters pursuant to Subsection (a) above shall not be eligible for the travel allowance provided for in Section 301.11. (Entire Section Amended 1-1-88)

301.19 (Deleted 1-1-09)

301.20 ENABLING CLAUSE

By written agreement between Company and Union, special provisions may be substituted for the provisions of this Title. (Section Added 1-1-88)

301.21 (Moved to Exhibit XV Effective 1-1-09)

TITLE 302. HOURS

302.1 BASIC WORKWEEK AND BASIC WORKWEEK DEFINED

A workweek is defined to consist of seven consecutive calendar days, and a basic workweek is defined to consist of five workdays of eight hours each. The days in the basic workweek shall be known as workdays and the other days in the workweek shall be known as non-workdays. Employees may be scheduled to work more or less than five days per week or for more or less than eight hours per day, but in any such event the basic workweek shall continue to be as herein defined.

302.2 BASIC WORKWEEK

The basic workweek shall be from Monday through Friday.

302.3 CHANGES

Notwithstanding the provisions of Section 302.2 hereof, Company's Foreman or other Supervisor and the employees involved, together with Union, may mutually establish a different basic workweek of five consecutive workdays.

302.4 (Deleted 7-1-56)

302.5 HOURS -- GENERAL

In general, and except as otherwise provided herein, the regular hours of work shall be from 8 a.m. to 12 o'clock noon and from 12:30 p.m. to 4:30 p.m., or from 8 a.m. to 12 o'clock noon and from 1 p.m. to 5 p.m.; provided, however, that the regular lunch period may be advanced or delayed one hour or less for any of the following reasons, namely, (a) when work which must necessarily be performed on facilities serving a customer of Company can most conveniently be performed during such customer's lunch period; (b) when work must necessarily be performed by reason of an interruption to utility service or other emergency having occurred; (c) when work must necessarily be performed to eliminate a hazard to life or property; or (d) when the Company foreman or other supervisor and the employees involved mutually establish a different lunch period or agree to a temporary change in the regular lunch period. A change in lunch period for any of the foregoing reasons shall not be deemed to require the payment of overtime, except that if the regular lunch period is advanced or delayed for more than one hour for any of the reasons herein listed (a), (b), (c), the employees involved will be paid at the overtime rate for work performed in the regular lunch period and may eat their lunch on Company time.

302.6 HOURS -- BOARDINGHOUSE

Notwithstanding the provisions of Section 302.5 hereof, the eight hours of work of employees who are employed in boardinghouses may be spread over a 13 hour period each day.

302.7 OVERTIME -- HOURS CHANGE

Further notwithstanding the provisions of Section 302.5 hereof, Company may change the regular hours of work of any employee when necessary, in which event overtime compensation shall not be paid for time worked outside of regular work hours except during the first four workdays following such change.

(a) As used in this Section, "regular hours of work" are those defined in Section 302.5; i.e., 8 a.m. to 12 o'clock noon and from 12:30 p.m. to 4:30 p.m., or from 8 a.m. to 12 o'clock noon and from 1 p.m. to 5 p.m.

(b) The provisions of this Section shall not be applicable unless an employee is assigned hours of work other than regular hours of work for a period estimated as more than four consecutive workdays.

(c) A further change of work hours, following an assignment as provided in Subsection (b) above, shall result in the payment of overtime the first four workdays after such further change for hours worked outside of regular work hours and outside those hours from which the employee was just changed. If any such situation extends beyond two workweeks, Company and Union may agree to rotate the assignment of employees thereto, but in such event the overtime compensation herein provided for will not be paid to any employee for more than the first four workday period worked outside of regular hours. (Amended 1-1-91)

(d) Overtime compensation shall not be paid under this Section 302.7 for time worked during regular hours of work as defined in Subsection (a) above.

(e) The provisions of this Section are not applicable where:

302.10 OTHER REPORTING REQUIREMENTS

When regular employees are engaged in work other than that described in Section 302.9 hereof, the following shall govern the reporting practice and payment for travel time:

(2) When travel from such facilities to the work site requires more than 30 minutes, the travel time each way in excess of 30 minutes shall be considered as time worked.

(3) If the work site is inaccessible to automotive transportation such travel shall be to a designated point which is accessible. Accessible to automotive transportation is defined as a route that is (a) reasonable and practical, (b) is safely traversable in a standard 2-wheel drive passenger car, and (c) is regularly maintained in reasonable repair. Accessible by automobile shall be as defined in Subsection 301.2(b). Where the headquarters is in an unincorporated area, such board and lodging may be either in an unincorporated area or in an incorporated city. (Amended 1-1-88)

TITLE 303. INCLEMENT WEATHER PRACTICE

303.1 SHELTERED WORK

Regular employees who report for work on a workday, but are prevented from working in the field because of inclement weather or other similar cause shall, if practicable, be held pending emergency calls, or may be given first aid, safety or other instruction, or may be required to perform miscellaneous work at locations unaffected by inclement weather conditions. (Amended 1-1-83)

303.2 SHOW-UP TIME (FIRST HALF)

If an employee reports for work on a workday in his/her basic workweek and is not required to work because of inclement weather, lack of materials, or similar cause beyond his/her control, or if such employee, having started work on a workday in his/her basic workweek, is required to discontinue it for any of the foregoing reasons, the employee shall be compensated for the time he/she works or is held at the worksite. Such compensation shall be at the rate of pay which would have been payable had the employee worked at his/her scheduled work, but in no event shall a regular employee be paid less than four hours compensation or a casual employee less than two hours compensation. (Amended 1-1-91)

303.3 MINIMUM (AFTER SECOND HALF)

If a regular employee after working more than 4 hours on a day in his/her basic workweek is prevented from continuing work for the remainder of such day because of inclement weather the employee shall be paid eight hours compensation for such day at the rate of pay which would have been payable had the employee worked the full day. (Amended 1-1-91)

(Amended 1-1-09)

303.5 CLOSE DOWN DECISION

The decision to close down a job or a portion of a job and send employees home under this Title shall be made by a supervisor when, in the supervisor's reasonable judgment, the weather, ground, or other conditions at the worksite make it impractical to work efficiently, productively or safely. The decision will be made by an exempt supervisor who personally examined the conditions at the worksite and who has evaluated the availability of other miscellaneous work or training as provided for in Section 303.1, except in those cases where such a supervisor is not able to personally examine such worksite. When the exempt supervisor is unable to personally examine such worksite, he/she shall consult with a bargaining unit supervisor who is familiar with such worksite. If an employee is sent home and conditions improve to the point at the employee's worksite that work can be performed efficiently, productively and safely, the Company will make a good faith effort to call the employee back to work on the earliest workday possible regardless of the number of days off originally anticipated. (Amended 1-1-91)

TITLE 304. WAGES AND CLASSIFICATIONS

304.1 WAGE PROGRESSION

(a) The "Wage Progression" of an employee who is absent on leave of absence without pay for more than ten consecutive workdays will be delayed by a period of time equivalent to such leave of absence. The "Wage Progression" of an employee in a beginning or apprentice or other training classification who is absent for more than 25 consecutive workdays because of an industrial injury as defined in Section 108.1 or for an illness or disability and is receiving sick leave with pay as provided for in Section 112.1, will be delayed by the period in excess of 25 consecutive workdays.

(b) Except as provided in Section 304.5 below, an employee who is assigned to a classification having a higher maximum wage rate shall be paid at the first step of the wage progression of such classification which is higher than his/her present wage rate, or at the wage step in the higher classification determined by the time previously accumulated in such higher classification, as provided for in Subsection 304.1(a), whichever is the greater. (Amended 1-1-91)

(c) An employee who is demoted due to lack of work to a classification in such employee's current Line of Progression having a lower top wage rate is entitled to the rate of pay previously held in the lower classification or the rate of pay in the lower classification equal to or next lower to his/her present rate of pay, whichever is higher. Employees with 24 months or more in their current classification who have received notice of displacement and vacate their base position by successful bid, transfer or who are displaced into a lower paying position will maintain their rate of pay for up to three years or until such time as the rate of pay is equal to or greater than that of the employee's frozen rate of pay, whichever comes first. If at the end of three years, an employee is still paid above the top of the rate for the classification. During the time that an employee's pay remains above the wage range of the position into which he/she bid, the employee will not receive General Wage Increases or Progressive Wage Increases. (Amended 1-1-00)

(d) An employee who is demoted to a classification outside of the employee's current Line of Progression having a lower wage rate will be placed at the wage step appropriate to the employee's level of qualifications. (Amended 1-1-80)

304.2 TEMPORARY UPGRADE

When an employee is temporarily assigned to work in a classification higher than the employee's regular classification the employee will be paid for time worked in the higher classification at the rate therefore, provided that such time worked is not less than two hours during the day. However, an employee who previously held the higher classification on a permanent basis will be paid for time worked in the higher classification at the rate therefore provided that the time worked is not less than one hour. Such time worked may be accumulated over an eight-hour period by intervals of not less than one-half hour. (Amended 1-1-88)

304.3 PAYDAY

Wages shall be paid at biweekly intervals on Fridays for a two-week payroll period ending not less than four nor more than ten days prior to the pay date, provided that if the regular pay date falls on a holiday payment shall be made on the preceding workday. Company shall make direct deposit available to those employees who elect to utilize such. (Amended 1-1-88)

304.4 NEW CLASSIFICATIONS AND WAGE RATES

Upon agreement thereon by Company and Union, additional regular classifications, wages therefore, and normal Lines of Progression may be established, and the wages, duties and Line of Progression of any classification may be adjusted. Pending such agreement, Company may establish temporary classifications and wages therefore. (Added 1-1-80)

304.5 APPRENTICE WAGE RATES

(a) In each instance, except as provided in Subsection (b), when an employee is appointed to fill a vacancy in an apprentice classification for the first time, such employee shall be placed at the beginning rate in such apprentice classification.

(b) Based on Company and Union written agreement and the employee's current knowledge, skill, efficiency, adaptability and physical ability which relate directly to prior performance of journeyman duties and which supplant need for training in an apprenticeship, the employee may be placed in a wage step above the beginning rate. (Added 1-1-80)

TITLE 305. JOB BIDDING AND PROMOTION

305.1 BIDDING ON REGION JOBS

Any regular employee of General Construction who is in the unit described in Section 300.1 may submit a bid electronically through PG&E@Work For Me (from the Company's intranet or the Internet) to Company on any job under the provisions of Title 205 or Title 18 of the Clerical Agreement and such bids will be entitled to consideration as provided for in such Title. Such employee shall be entitled to two opportunities to pass the test referred to above. The second attempt to pass such test must be a minimum of three months from the date of the initial attempt. However, where the parties have agreed that certain classifications, other than normal entry level, have substantially identical tasks in General Construction as in the Regions or Departments, successful performance by an employee in such classification will be considered as presumptive evidence of meeting the appropriate agreed-to test requirements. Additionally, a former General Construction employee who has become a Regional or Department employee at the journeyman level or below must meet the agreed-to test battery to meet the employment requirements for Region or Department employees before being promoted to a working foreman job on other than a temporary basis. Notwithstanding the foregoing, successful performance as a temporary working foreman in a Region or Department for a cumulative total of six months or more shall be presumptive evidence of meeting such requirements. (Amended 1-1-91)

An employee in General Construction, other than an employee in a journeyman classification in the same Line of Progression as that in which the vacancy exists, must pass the appropriate agreed-to apprentice entrance tests, as designated in Paragraph A of the Master

Apprenticeship Agreement before the employee's bid to fill a vacancy in an apprentice or a journeyman classification will be considered. The employee shall be entitled to retest following failure on the same schedule as a Regional or Department employee. (Amended 1-1-91)

(b) Further notwithstanding the foregoing, Company shall have the right to select for temporary upgrade a qualified employee who is working outside the assembly point or shift where the upgrade is needed, provided that such employee has greater Service than the employee who otherwise would have been awarded the upgrade.

(c) Temporary upgrades normally are limited to 20 consecutive workdays, but may extend beyond 20 consecutive workdays when an employee is upgraded to replace one or more employees who are absent from work.

(d) Each month Company shall provide Union with a list of temporary upgrades effected during the prior month. Such list shall include each upgraded employee's name, personnel number, job headquarters, promotion-demotion area, the classification(s) to which each employee was upgraded and the hours each employee worked in such classification(s). This list shall be cumulative, reflecting hours worked in upgraded classification(s) during the prior 13 payroll periods. As used herein, the term "area" means the geographic promotion-demotion area established by agreement between Company and Union as indicated in Exhibit II, General Construction Promotion-Demotion Geographic Areas, which is attached hereto and made a part hereof. (Amended 1-1-88)

(b) Employees, other than those with preferential rights under Section 306.9, who have turned down a temporary upgrade opportunity that was known in advance to last for five or more workdays (10 or more workdays for positions which require the employee to exercise supervisory duties) shall not be entitled to consideration for promotion for a period of 90 calendar days thereafter. An employee who declines a temporary upgrade shall sign and date a temporary upgrade form indicating he/she is not interested in the upgrade and further indicating awareness that he/she will not be considered for promotion for a 90 calendar day period. (Added 1-1-94)

(c) A permanent upgrade form shall be used so that employees can indicate interest in and qualification for permanent upgrade to classifications higher in the normal Line of Progression. Such forms shall be signed and dated by the employee and the employee's supervisor, following which a copy of the completed form shall be returned to the employee. Such form shall remain in effect until either the employee is promoted to a higher classification or for one year from the date signed by the employee. An employee may revise and resubmit a permanent upgrade form at any time. (Added 1-1-91)

Such list shall also include the name, employment date and classification of each employee in the area and normal Line of Progression where the promotion was made who has an employment date earlier than the employment date of the promoted employee. (Added 1-1-91)

305.6 HARSHIPS

Company shall have the right to make transfers in the case of employees whose health or physical condition makes it advisable to relieve them from duty in occupations which are hazardous or which involve physical or mental strain, and nothing in this Agreement shall be construed to restrict or restrain Company in the exercise of such right.

305.7 GENERAL CONSTRUCTION PREBID PROCEDURE

Any regular employee of Company may submit a prebid on any existing job classification and promotion/demotion geographic area, as defined in Exhibit II of the Agreement for which the employee desires consideration in accordance with the following procedure provided the employee does not exceed a combined maximum number of 80 prebids and transfers. This maximum will not apply to employees subject to the provisions of Title 306. (Amended 7-25-12)

(a) **Eligibility:** To be valid, an employee's prebid must be entitled to preferential consideration under the provisions of Section 305.5 or the provisions of Subsection (b) below. A list of existing classifications by promotion-demotion geographic area with appropriate prebid numbers is available online from the Company's Human Resources web site. (Amended 1-1-09)

(b) **Filling of Vacancies:** whenever a vacancy occurs in any job classification which the Company intends to fill on a regular basis, once the current provisions of Section 305.5 have been exhausted, Company shall fill the remaining vacancies as soon as practicable and in the following sequence:

(1) Bids made by employees who are entitled to preferential consideration under Section 306.9 who are out of the Promotion-Demotion Geographic Area of the vacancy;

(i) in the same classification as that in which the job vacancy exists, or

demotion geographic area on which the prebid was made. Only those prebids valid prior to the control date on the job vacancy report will be considered to fill such vacancy. Subsequent prebids may be considered only after that list has been exhausted. After two lists have been exhausted, Company may fill the job at its discretion in the same manner as described in Section 205.13. (Amended 1-1-09)

(f) **Date of Receipt:** The date of receipt will be the date of receipt by the CJBT. (Amended 1-1-09)

(g) **Acknowledgment:** Company will acknowledge receipt of all prebids within 15 calendar days from the date of receipt and without rejecting the prebid notify the employee via e-mail of any known reason which might preclude the employee's filling the classification on which the employee has submitted a prebid, including information regarding testing programs which must be completed. Information on whether or not an employee has completed such programs is available electronically from the About Me tab in PG&E@Work For Me (from the Company's intranet or the Internet). (Amended 1-1-09)

(h) **Cancellation of Prebids:** Prebids are valid for a period of one year from the date of receipt or until such time as the employee changes classification or until such time as the employee rejects an appointment to the classification in a specific promotion-demotion geographic area (and shift, if appropriate) on which the prebid was made. Company will notify an employee of the cancellation of employee's prebids as indicated below. Cancellation shall be effective as follows:

(1) at the expiration of one year from the date of the prebid and after 15 calendar days' advance notice from Company,

(2) immediately upon the employee's declining an appointment to the classification in a specific promotion-demotion geographic area on which the prebid was submitted, (Amended 1-1-09)

(3) immediately after any employee's change of classification or position (Amended 7-25-12)

(4) (Deleted 1-1-09)

(5) immediately upon receipt of authorization from an employee to cancel a prebid, or

(6) upon receipt of authorization from the CJBT to cancel prebids because a job is deleted from the directory or an employee improperly designates rights, as provided in Section 306.9, with notification to the employee by the CJBT of such cancellation. In the latter cases, the employee's prebid will be given the appropriate 305.5 consideration for 15 calendar days from the time the CJBT notifies employee of such cancellation. (Amended 1-1-09)

(i) **New Jobs in a Promotion-Demotion Geographic Area:** The Company shall post, on all bulletin boards throughout the System, a notice describing all new classifications in any promotion-demotion geographic area on the first or fifteenth of any month, as soon as such jobs are authorized to be filled. Such notice shall remain posted until the next Directory listing the new classification is posted on the bulletin board, but not less than 15 days. If no prebids are received 18 days after the date shown on the notice, or after two lists have been exhausted, Company will have 60 days to fill the vacancy in a manner as described in the provisions of Section 205.13. (Amended 1-1-09)

An employee who is the senior, qualified bidder to more than one vacancy, which is currently being filled, shall be given the option of accepting the classification and promotion-demotion geographic area desired.

(j) **Prebid Directory:** The Company shall identify all prebidable classifications covered under the Physical and Clerical Agreements. Such identification shall include the location, function and prebid number.

(k) **Accepting Job Offer:** An employee will be expected to provide a response by the next business day if s/he is offered a position that will not result in the employee needing to relocate his/her residence.

An employee will be expected to reply within 48 hours of receiving a job offer request when accepting the offered position will result in the employee needing to relocate his/her residence. Under certain circumstances of hardship or operational needs, the supervisor offering the position may grant up to 72 hours for the employee to respond. Further, based on operational needs, an employee may be granted the use of a floating holiday or vacation day to assist in determining whether or not to accept a job offer. Failure to respond in the aforementioned time frame will cause the employee's bid to forfeit.

An employee who is scheduled to go on vacation is encouraged to voluntarily leave a phone number with his/her supervisor at which s/he can be reached if a job offer is extended. As an alternative, an employee may voluntarily leave his/her supervisor a prioritized list of vacancies

s/he will accept if offered a position. This list will expire after the vacation period is ended. In no case will an employee be bypassed for an offer due to being on vacation. (Added 10-1-03)

305.8 FILLING BEGINNER'S CLASSIFICATIONS (Added 10-1-03)

Whenever Company intends to fill a beginner's classification, Company shall fill it in the following sequence:

1. in the same Promotion-Demotion Geographic Area as the vacancy, then;
2. out of the Promotion Demotion Geographic Area as the vacancy.

(b) Company shall make unrestricted appointments in filling one-half of the vacancies in beginner's classifications.

(c) In making appointments to fill the remaining one-half of the vacancies in beginner's classifications in each Line of Progression in a given department in a promotion-demotion geographic area, Company shall give preferential consideration to employees with at least one year of service, unless transferring to a part-time classification with a higher wage rate or from a part-time position to a full-time position, who have previously filed a transfer to fill such vacancies. All transfer requests must be submitted electronically through PG&E@Work For Me (from the Company's intranet or the Internet). In no event shall the Company consider any transfer application which was received by the Centralized Job Bidding Team (CJBT) on or after the established control date. The control date is first established on the date the fully authorized personnel requisition is received by the CJBT to fill a job vacancy in the classification and promotion-demotion geographic area on which the transfer application was made. If the transfer listing is exhausted without a successful candidate, a new control date will be established. This new control date will be the date of the decline or bypass of the last transfer applicant. Transfers which were not timely under the original control date but were received prior to the new control date will then be given consideration. If the vacancy cannot then be filled by transfer, it may be filled by unrestricted appointment - no transfers on file. (Amended 1-1-09)

(d) Company shall acknowledge receipt of all transfer applications within 15 calendar days from date of receipt and, without rejecting such applications, notify the employee via e-mail of any known reason which might preclude the employee from filling the classification on which the employee has submitted a transfer application, including information regarding testing programs which must be completed. - (4) Date vacancy filled.
- (5) Show whether vacancy is regular or part-time.

(g) **Cancellation of Transfers:** Applications for Transfer are valid for a period of one year from the date of receipt or until such time as the employee changes classification or until such time as the employee rejects an appointment to the classification and promotion-demotion geographic area on which the transfer application was made. Company will notify an employee of the cancellation of employee's applications for transfer as indicated below. Cancellations shall be effective as follows:

(1) At the expiration of one year from the date of the transfer and after 15 calendar days advance notice from Company,

(2) Immediately upon the employee's declining an appointment to the classification and promotion-demotion geographic area on which the transfer was submitted, (Amended 1-1-09)

(3) Immediately after any employee's change of classification, (Amended 1-1-09)

(4) (Deleted 1-1-09)

(5) Immediately upon receipt of authorizations from an employee to cancel a transfer, or

(6) Upon receipt of authorization from the CJBT to cancel transfers because a job is deleted from the directory or an employee improperly designates rights, as provided in Section 306.9 with notification to the employee by the CJBT of such cancellation. In the latter cases the employee's transfer will be given the appropriate consideration for 15 calendar days from the date of notification. (Amended 1-1-09)

(h) **Accepting Job Offer:** An employee will be expected to provide a response by the next business day if s/he is offered a position that will not result in the employee needing to relocate his/her residence.

An employee will be expected to reply within 48 hours of receiving a job offer request when accepting the offered position will result in the employee needing to relocate his/her residence. Under certain circumstances of hardship or operational needs, the supervisor offering the position may grant up to 72 hours for the employee to respond. Further, based on operational needs, an employee may be granted the use of a floating holiday or vacation day to assist in determining whether or not to accept a job offer. Failure to respond in the aforementioned time frame will cause the employee's bid to forfeit.

An employee who is scheduled to go on vacation is encouraged to voluntarily leave a phone number with his/her supervisor at which s/he can be reached if a job offer is extended. As an alternative, an employee may voluntarily leave his/her supervisor a prioritized list of vacancies s/he will accept if offered a position. This list will expire after the vacation period is ended. In no case will an employee be bypassed for an offer due to being on vacation. (Added 10-1-03)

305.9 POSTING OF JOB AWARDS (Added 10-1-03)

Company shall post biweekly on the bulletin boards in each headquarters within the system a list of all job awards made through prebids and through transfers since the last list was posted. Such list will include the job vacancy number (where appropriate) and the Promotion/Demotion Geographic Area, the appointed employee's name and Service, and the Section of this Agreement relied upon for the award.

305.10 PREFERENCE BY LENGTH OF SERVICE (Added 10-1-03)

(a) When employees in the same preferential sequence as provided in Section 305.7 are each qualified by knowledge, skill, efficiency, adaptability and physical ability for appointment to a job, the bid of the employee with the greatest Service shall be given preference for appointment.

(b) In the event a conflict arises as to seniority between two (2) or more employees whose seniority date is the same, the following will be the sequence of consideration for the purpose of a tie-breaker:

(1) any regular prior service as a Company employee shall be taken into consideration and the employee whose prior service is greater shall be deemed to have the greater seniority; (Amended 7-25-12)

(2) the employee who first successfully completed all preemployment tests shall be deemed to have the greater seniority;

(3) (Deleted 7-25-12)

(4) the parties will determine which employee is deemed to have the greater seniority by a mutually agreed-upon method of chance, such as a coin flip.

(c) In the implementation of Title 306, the parties may agree to a process different than the above.

The provisions of this Title 306 which are applicable to regular employees with two years or more of Service in cases of displacement, demotion or layoff due to lack of work or the return of an employee from leave of absence for Union business or military service, but not to layoffs due to inclement weather, lack of material and similar causes, shall be applied in such manner as to give effect to the following:

(a) Provided that the employee is fully qualified to perform the duties of the classification to which such employee is to be demoted or transferred, Service, as defined in Section 106.3, shall be the determining factor in the application of this Title.

(b) An employee may not elect to displace another employee with equal or greater Service. An employee may not displace an employee in a classification having a wage rate higher than that of such employee's classification except where such classification is considered to be the same in accordance with a Line of Progression as provided for in Title 600.

(c) Where referred to in this Title, the Promotion-Demotion Geographic Area shall be as listed in Exhibit II, General Construction Promotion-Demotion Geographic Areas. (Amended 1-1-88)

(d) Company shall designate the employees to be displaced under the provisions of this Title.

(e) When it becomes necessary to move an employee because of lack of work, Company shall give the employee as much notice as practicable. (Amended 1-1-91)

306.2 GEOGRAPHIC AREAS

When a demotion is to be made in a classification within a Promotion-Demotion Geographic Area, the employee with the least Service in such classification shall be demoted to the next lower classification in the reverse order of the normal Line of Progression. An employee shall be demoted on a step-by-step basis; that is, such employee shall be first to be demoted in the reverse order of the normal Line of Progression for the employee's classification to the next lower classification. If successive demotions must be made, the same procedure shall apply at each step until the employee is either placed in another job or is laid off. If more than one demotion is to be made, the within procedure shall first be applied to the highest classification to be affected and then to successively lower classifications.

306.3 BUMPING (TWO OR MORE YEARS OF SERVICE)

(a) An employee who has two or more years of Service and who is to be demoted pursuant to Section 306.2 may, in lieu thereof, elect to displace an employee who (1) has less Service than the displacing employee, (2) is in the displacing employee's current classification and (3) is in the same General Construction Department.

(b) If an employee with two or more years of Service cannot effect a displacement provided for in Subsection (a) above and cannot effect a demotion to the next lower classification in the reverse order of the normal Line of Progression pursuant to Section 306.2, the employee may elect to displace an employee who (1) has less Service than the displacing employee and (2) is in the next successively lower classification in the reverse order of the normal Line of Progression in the same General Construction Department. (Amended 1-1-91)

306.4 BUMPING (FIVE OR MORE YEARS OF SERVICE)

(a) An employee with five or more years of Service who cannot effect a demotion pursuant to Section 306.2 and who cannot effect a displacement provided for in Section 306.3, may elect to displace an employee who (1) has less Service than the displacing employee and (2) is in the displacing employee's current classification in a different department of General Construction. If such displacement is not possible, the employee may elect to displace an employee who has less

Service than the displacing employee and who is in the next lower or successively lower classification in the reverse order of the normal Line of Progression.

(b) An employee with five or more years of Service who cannot effect a demotion pursuant to Section 306.2 and who cannot effect a displacement provided for in Section 306.3 or Subsection 306.4(a), may elect to displace an employee who,

(1) has less Service than the displacing employee, and

(2) is in a General Construction Department in which the displacing employee previously worked for one year or more in the preceding four years, and

(3) is in a classification the displacing employee previously held for six months or more in such General Construction Department in the preceding four years, or is in a classification lower thereto in the same Line of Progression.

An employee may not effect a promotion under the provisions of this Subsection.

(Entire Section Amended 1-1-84)

306.5 BUMPING (FOUR OR MORE YEARS OF SERVICE)

(a) An employee with four or more years of Service who cannot effect a demotion pursuant to Section 306.2, and who cannot effect a displacement provided for in Section 306.3 or 306.4, may elect to displace that employee who (1) has less Service than the displacing employee and (2) is in the beginner's classification in a different Line of Progression in the same General Construction Department.

(b) An employee with four or more years of Service who cannot effect a demotion pursuant to Section 306.2, and who cannot effect a displacement provided for in Section 306.3 or 306.4 or Subsection 306.5(a), may elect to displace an employee who (1) has less Service than the displacing employee and (2) is in a beginner's classification in a different department of General Construction. (Entire Section Amended 1-1-84)

306.6 RIGHTS TO A BEGINNER'S CLASSIFICATION IN REGION

An employee with five or more years of Service who cannot effect a demotion pursuant to Section 306.2 and who cannot effect a displacement provided for in Section 306.3, 306.4, or 306.5, may elect to:

(a) Fill a vacancy in a beginner's classification in the Regions in the same normal Line of Progression (as set forth in Title 600 and Exhibit VIII and Exhibit A of the Agreement applying to Office and Clerical Employees) as the one occupied by the employee at the time the initial Title 306 action began.

(b) If an employee cannot effect a placement in accordance with Subsection (a) above, the employee may displace the Region employee with the least Service in a beginner's classification in the same normal Line of Progression as the one occupied by the displacing employee at the time the initial Title 306 action began, providing such displacing employee was a journeyman or higher at the time the initial Title 306 action began. The General Construction employee may not displace a Region employee whose Service is greater than his/her own. A journeyman is defined as a classification having a formal negotiated training program.

(c) In the application of this Section, the General Construction employee within the 10 workday lay-off notice period must be able to meet the same qualification requirements that Region employees must meet.

(d) An employee who enters a beginner's classification under the provisions of this Section:

(1) shall not have any rights under Section 206.9, but shall have accelerated rights to return to his or her former classification and department of General Construction or to a successively lower classification in the normal Line of Progression to such classification. If the employee declines to return, such employee loses Section 306.9 rights,

(2) may return to another General Construction department if such employee can be placed within any such General Construction department within one year from the date of displacing into a Region beginner's classification.

(e) A placement into a Region vacancy under the provisions of this Section shall count as a transfer under the provisions of Subsection 205.5(c) or Subsection 18.5(b), as appropriate. (Amended 1-1-94)

306.7 LAYOFFS

(a) If there is no job to which Company can demote an employee under Section 306.2, or if the employee does not effect a displacement under any of the provisions of this Title, the employee will be laid off.

(b) When it becomes necessary for Company to lay off an employee because of lack of work, Company shall give the employee as much notice as practicable, but in no event shall a regular employee be given less than five working days' notice, and an employee who has five or more years of Service shall be given not less than ten working days' notice. (Amended 1-1-91)

306.8 JOURNEYMAN RETENTION

If in the application of the provisions of this Title an employee in a classification which, in the normal Line of Progression, is higher than an apprentice classification can effect a displacement in such classification, the former shall not take such apprentice classification but shall be given the rate of classification next higher thereto.

306.9 ACCELERATED PROMOTION -- TRANSFER

For the purpose of enabling employees who have been demoted and/or transferred under the provisions of this Title, or to enable employees who have been or are on Long-Term Disability status to return to their former classification(s) and Lines of Progression on an accelerated basis, Company shall give preferential consideration, pursuant to Title 305, to employees who formerly worked in such job classification(s) and Lines of Progression in accordance with the following:

(a) An employee will be given preferential consideration for promotion within his/her present General Construction Department to return to the highest classification held immediately prior to demotion under this Title. (Amended 1-1-91)

(b) Where written notice has been provided to Company by an employee who has been transferred to or reemployed in other General Construction Departments or Lines of Progression under the provisions of Title 306, Company shall return such employee to any classification previously held, which the Company intends to fill, in the employee's original or intermediate Line(s) of Progression to which the employee has indicated he/she will return. (Amended 1-1-94)

An employee who declines to return to a classification in a former Line of Progression for which he/she has indicated willingness to return will forfeit any further preferential rights to return to such Line of Progression. Such employee will retain preferential rights to those Lines of Progression the employee has not declined. (Amended 1-1-94)

In considering notices received from two or more employees under the provisions of this Subsection (b), Company shall give preferential consideration to the notice made by the employee who has the greatest Service.

(c) When appropriate medical recommendations indicate that an employee on Long-Term Disability can return to active employment, the employee will be given preferential consideration to return to the last classification held prior to going on LTD or to a lower classification he/she is capable of filling in his/her former department or another department of General Construction, subject to the provisions of 2.14(a)(2) of the Benefit Agreement, e.g., such placement will be in the highest available classification commensurate with such employee's reduced capabilities, if any. (Amended 1-1-91)

(d) When Company intends to fill a vacancy or increase the number of employees in a classification in a General Construction Service Center, preferential consideration shall be given to those employees who (1) have been displaced from such Service Center under the provisions of Title 306 and have provided Company with written notice that they desire to return to such Service Center, and/or (2) have been demoted, pursuant to Title 306, from the subject classification or one higher thereto in the normal Line of Progression.

An employee who declines to return to a Service Center under the provisions of this Subsection (d) will forfeit any further preferential rights to return to such Center under these provisions.

(Entire Section Amended 1-1-84)

306.10 SPECIAL AGREEMENTS

By written agreement between Company and Union, special provisions may be substituted for the provisions of this Title 306.

306.11 SUPERVISORIAL DEMOTION

When by reason of lack of work in his or her department, the Company demotes into a classification in the collective bargaining unit a supervisor or other employee who was not at the time of demotion a member of such unit, such employee shall be placed in the classification held prior to leaving the bargaining unit consistent with the provisions of Subsections 306.1(a) and (b) and thereupon be entitled to exercise the rights set forth in this Title. (Amended 1-1-88)

306.12 DEMOTION INTO UNIT FROM OUTSIDE

(a) A supervisory or other employee who was not at the time of demotion a member of the collective bargaining unit, but who formerly worked in a classification which is in such unit, may be demoted for any reason other than lack of work into a classification in such unit provided that no employee in such unit shall be displaced by such action.

(b) In no case shall such demoted employee be placed into a classification that is higher than the classification held prior to leaving the bargaining unit subject to Subsection 306.1(a). (Amended 1-1-88)

306.13 TERMINATION NOTICE

At such time an employee's Service with the Company terminates, such an employee shall be notified in writing if he/she is eligible for rehire or not eligible for rehire. The form shall be signed by the appropriate supervisor and, if available at the time of termination, by the employee. One copy of the executed form shall be presented to the employee. In the event the employee is unavailable on the date of termination, Company shall, on such date, mail one executed copy of the form to the terminated employee's last known address. (Amended 1-1-91)

306.14 REEMPLOYMENT PROVISIONS

(a) Notwithstanding any other provisions of this Agreement, a regular employee who has been laid-off for lack of work pursuant to the provisions of this Agreement for a period not in excess of thirty months, and who had one or more years of Service at the time of layoff shall be entitled to preferential rehire on the basis of Company Service at the time of layoff, providing that the laid-off employee, keeps the Company informed in writing of the current mailing address and telephone number for contact and the Part III Promotion-Demotion Geographical Area(s) and/or Part II Bidding Unit(s) for which reemployment will be accepted and whether the laid-off employee wants to be considered for part-time employment. The employee will be notified of the proper method for informing the Company. Company shall maintain one address to which the above notice may be mailed.

(b) When a vacancy exists in a:

(i) beginning classification covered by this Agreement, or;

(ii) classification above beginning level that is not filled pursuant to the provisions of Section 305.5 or Section 205.7 (a) through (d) of this Agreement,

Company shall provide notice of openings for reemployment as follows:

(1) By calling the last telephone number furnished by the laid-off employee and offering reemployment. If contacted by telephone, such employee must advise Company whether or not such employment will be accepted within three working days and the employee must be available for work within seven calendar days.

(2) If the laid-off employee cannot be reached by telephone, Company shall forward notice by Certified Mail Return Receipt Requested for openings for reemployment to the last mailing address as furnished by such employee.

Within three working days after such notice is received at such mailing address, the laid-off employee must advise Company whether or not the reemployment offer will be accepted, and the employee must be available for work within seven calendar days after so advising Company. If the certified letter is returned undeliverable, such employee will be considered terminated, and the next employee on the laid-off list may be notified of the opening.

(3) To expedite rehiring, more than one employee may be notified of an opening, but priority shall be given to employees in the order of Service at the time of layoff.

(4) Company shall not be required to contact laid-off employees when the opening for reemployment is outside the Part III Promotion-Demotion Geographic Area(s) and department(s) and/or the Part II Bidding Unit(s) and department(s) in which such employee has indicated a desire to accept reemployment.

(5) If Company cannot contact the laid-off employee by telephone and if no reply is received by Company within three working days after notice is received at the employee's

mailing address, or if the laid-off employee does not accept reemployment to a full-time position or report for work within the time periods provided in this Subsection, such employee will be considered terminated, with no further reemployment rights under this Section, and the next employee on the laid-off list may be notified of the opening. If the laid-off employee declines an offer of part-time employment, such employee will not be considered for reemployment to future part-time positions.

(6) An employee returning to a classification under the provisions of this Section must possess the necessary skills, ability and physical qualifications to perform the duties of the position to which he/she returns.

(c) The Certified Mail Return Receipt shall be retained by the Company for a period of one year after the notice was mailed to the laid-off employee and shall serve as proof of such notice actually being mailed.
(Entire Section Amended 1-1-94)

306.15 TECHNOLOGICAL CHANGES

Company shall continue to provide Union with as much notice as practicable of technological changes in its business which may have a significant effect on its workforce. (Added 1-1-88)

TITLE 307. (Deleted 9-1-53)

TITLE 308. OVERTIME

308.1 DEFINITION

Overtime is defined as (a) time worked in excess of 40 hours in a workweek, (b) time worked in excess of eight hours on a workday, (c) time worked on a non-workday, (d) time worked on a holiday as provided for in Title 103, and (e) time worked outside of regular work hours on a workday. Company shall not be required to pay overtime compensation more than once for any single period of time worked. Each overtime period worked shall be compensated to the nearest one-quarter hour. (Amended 1-1-88)

308.2 RATE AND DOUBLE-TIME CONDITIONS

(a) In general, overtime compensation at the rate of one and one-half times the straight rate of pay shall be paid to employees for overtime as defined in Items (a), (b), (c), (d) and (e) of Section 308.1; except that

(b) the time worked in excess of 12 consecutive hours and continuing until the employee is dismissed from such work shall be paid at the rate of two times the employee's straight rate of pay, or

(c) if, following an employee's dismissal from work or on an employee's non-workday or holiday which the employee is scheduled to have off, the employee is called out for work, the employee shall be paid at two times the employee's straight rate of pay for all work performed outside the employee's regular work hours or on a non-workday or holiday which the employee is scheduled to have off. (Amended 1-1-88)

(d) The time worked in excess of eight hours on the employee's second of two scheduled days off counting from the first day of the basic workweek shall be paid at the rate of two times the employee's straight rate of pay provided such employee has performed work on the first scheduled day off. Employees scheduled to have four consecutive days shall be entitled, in addition to the above, to pay at the rate of two times the employee's straight rate of pay for the time worked in excess of eight hours on the fourth scheduled day off, provided that such employee has also performed work on the third scheduled day off. For employees on an alternative work schedule: If an employee performs work on any non-workday, the employee will receive double time after eight hours worked on the next day, provided that day is also a non-workday. Double-time after eight hours worked will continue until such time as the employee performs no work on a non-workday or a regular workday occurs. See examples in Letter Agreement 04-10. (Amended 7-25-12)

(e) For purposes of this Section, an employee's "regular hours of work" shall be the same on a non-workday as those regularly scheduled for such employee on a workday.

308.3 VEHICLE DRIVERS

In the event that the truck driver of a crew is required to work in excess of eight hours per day in connection with loading, unloading and garaging trucks such excess time shall be considered as scheduled work time and shall be compensated for at the overtime rate.

308.4 COMPENSATORY TIME OFF

Employees shall not take equivalent time off during a workday in lieu of overtime compensation. (Amended 1-1-88)

308.5 CALL-OUT -- NON WORKDAYS

Employees who are called from their living quarters for emergency work on their non-workdays or on holidays which fall on a workday, or outside of their regular work hours on workdays shall be paid overtime compensation for the actual work time and travel time in connection therewith.

308.6 CALL-OUT -- WORKDAYS

If an employee, who is called out for emergency work outside of such employee's regular work hours on a workday, continues to work into or beyond the employee's regular work hours the employee shall be paid overtime compensation for actual travel time only from his/her living quarters. (Amended 1-1-91)

308.7 TWO HOUR MINIMUM

The minimum time for which overtime compensation shall be paid under the provisions of Section 308.5 shall be two hours, except that if an employee who is called out for emergency work outside of his/her regular work hours on workdays continues to work into or beyond regular work hours he/she shall be paid overtime compensation only for travel time as provided in Section 308.6 and for actual work time up to regular work hours unless the provisions of Section 308.14 are applicable. (Amended 1-1-91)

308.8 PREARRANGED OVERTIME

When, at the request of the supervisor in charge, an employee reports for prearranged work (1) on workdays outside of his/her regular work hours, the employee shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond the employee's regular work hours such employee shall be paid overtime compensation only for travel time from the employee's living quarters and for actual work time up to regular work hours unless the provisions of Section 308.14 are applicable; (2) on non-workdays outside of the employee's regular work hours, the employee shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond regular work hours, travel time only from his/her living quarters shall be paid for; and (3) on non-workdays during regular work hours, the employee shall be paid overtime compensation only for actual work time. For the purpose of this Section prearranged work shall be deemed to be work for which advance notice has been given by the end of the employee's preceding work period on a workday. However, Company shall make a good faith effort to notify the employee at least 24 hours in advance of the need to perform prearranged overtime work on non-workdays or holidays. (Amended 1-1-88)

308.9 MINIMUM PAY

The provisions of Section 308.8 as to travel time shall not apply when the prearranged work starts less than two hours before regular work hours.

308.10 MAXIMUM TRAVEL TIME

The maximum time for which travel time in any one direction shall be paid under the provisions of Section 308.8 shall be one-half hour.

308.11 MINIMUM PAY -- CANCELLATION

If an employee is instructed by his/her supervisor to report for prearranged work on a non-workday, or on a holiday which the employee is entitled to take off with pay, and such work is canceled, the employee shall be paid overtime compensation for a minimum of two hours, inclusive of any travel time as provided in Section 308.8, if the employee is not given notice of the cancellation of such work by the end of his/her preceding work period on a workday. (Amended 1-1-91)

308.12 DISTRIBUTION

(a) Prearranged overtime work shall be distributed among employees in the same classification and on the same job assignment as equally as is practicable. (Amended 1-1-80)

(b) An employee who is scheduled to be off on vacation shall not be scheduled for work under this Section for the period between the end of the employee's last regular day of work preceding the employee's vacation and the start of the employee's first regular day of work following the vacation. An employee who is off due to illness or injury shall not be scheduled for work under this Section until the employee returns to work on a regular workday.

308.13 (Deleted 9-1-54)

308.14 REST PERIODS

If an employee has worked for eight hours or more at the overtime rate during the 16 hour period immediately preceding the beginning of the employee's regular work hours on a workday, such employee shall be entitled to a rest period of eight consecutive hours on the completion of such overtime work. (Amended 1-1-91)

(a) There shall be included as hours worked at the overtime rate in such 16 hour period any travel time and mealtime to which the employee is entitled when emergency or prearranged work is performed, except that any travel time and mealtime to which the employee is entitled after being dismissed from work shall be included in the computation of the eight hour rest period. (Amended 1-1-91)

(b) Hours worked prior to any eight hour rest period shall not be included in computing another period of overtime work.

(c) If the eight hour rest period in whole or in part overlaps the employee's regular work hours, the employee will receive pay at the straight rate for the extent of the overlap, except that the time taken during such overlap for any meal to which the employee is entitled on dismissal shall be paid for at the overtime rate. (Amended 1-1-91)

(d) If the employee is called back to work during his/her eight hour rest period, a new rest period will commence at the conclusion of such work. (Amended 1-1-91)

(e) (1) If the rest period overlaps the employee's regular work hours but does not extend into the second half of the employee's workday, the employee may be excused from reporting for work until the beginning of the second half of the employee's workday, and in such event the employee will be paid for the time between the expiration of the rest period and the end of the first half of such workday. (Amended 1-1-91)

(2) If the rest period extends into the second half of the employee's workday, the employee may be excused from reporting for work until the following workday, and in such event the employee will be paid for the time between the expiration of the rest period and the employee's regular quitting time on such day. (Amended 1-1-91)

(3) In the application of the foregoing, an employee, unless otherwise instructed, shall be deemed to be excused from reporting to work for the period between the end of the employee's rest period and the reporting time as designated by the applicable subdivision. (Amended 1-1-91)

(f) An employee entitled to a rest period hereunder may nevertheless be required to work during regular work hours on a workday without having had a rest period of eight consecutive hours, in which event the employee shall be paid at two times the straight rate of pay for all work performed until the employee has been relieved from duty for at least eight consecutive hours. (Amended 1-1-91)

308.15 THREE WEEK LIMIT

Except where a hazard to life or property exists, employees will not be required to work more than three consecutive weeks without having two consecutive days off.

(a) The terms and provisions of this Section shall be applicable to all employees described in Section 300.1.

(b) This Section means that, except for the three exceptions noted below, there is an absolute prohibition against requiring an employee to work more than three consecutive weeks without having two consecutive days off. There is no penalty provided for a violation of the provisions of this Section since the ban is absolute.

If an employee has performed work on 21 straight days, the employee must be granted the next two days off. If the next two days off occur on regular workdays for that employee, such employee shall, nonetheless, be granted the days off at the straight-time rate of pay.

(c) Employees may work beyond the 21 consecutive day limit only under the following conditions:

(1) Any work situation involving an immediate hazard to life or property. This does not include situations limited to a loss of money or revenue only.

(2) Employees voluntarily working emergency overtime.

If an employee is called out for emergency duty and declines to respond because of having worked 21 straight days, the employee shall be excused with no penalty.

(3) Any prearranged work where it is clear that the assignment to such work is voluntary on the part of the concerned employee.

(d) "Day" as used in this Section 308.15 refers to calendar day.

For the purposes of this Section 308.15, the time of day when a work period occurs or the length of any given work period is immaterial. If any work is performed on a given day (except as noted below), such day shall be included in the accumulation of 21 straight days.

"Work" as used in this Section 308.15 is defined as time for which an employee is paid while actively working at such employee's assigned job. This definition does not include travel time, time paid for a meal after dismissal from work and prearranged overtime cancellation payments when the employee has not reported for work. Nor does it include shifts which overlap calendar days by a period of one hour or less.

(1) Any non-workday or holiday on which an employee is not regularly scheduled to work, where an employee volunteers for overtime work (see (c)(2) and (3) above) shall not be included in the determination of 21 straight days, and such days will count as days off whether or not the employee works. (Application of this Section will be made to other regular workdays where employee does not work, e.g., jury duty, etc.)

(2) (a) One day off during the first seven consecutive days worked shall constitute a break in the 21-day accumulation.

(b) One day off after seven consecutive days of work shall not constitute a break in the 21-day accumulation; however, such a day off shall not be counted as a day of work. The count towards 21 consecutive days shall continue upon the employee's return to work. For example, if an employee who has worked 13 consecutive days takes a single day off, the day such employee returned to work shall be the 14th day towards the accumulation of 21 consecutive days.

(3) Successive workweeks of six days worked and one day off are permissible with no requirement of granting two consecutive days off. (Entire Section Amended 1-1-84)

**LETTER AGREEMENT 87-165-PGE
PRODUCTIVITY ENHANCEMENT COMMITTEES**

August 17, 1987

Pacific Gas and Electric Company
245 Market Street
San Francisco, CA 94106

Attention: Mr. I. W. Bonbright, Manager of Industrial Relations

Gentlemen:

This letter shall supersede Letter Agreement No. 87-83-PGE

Since January 1987, Company and Union have had discussions regarding a work efficiency experiment at the District headquarters in Livermore, California. We have also previously discussed preliminary plans for similar trials at other locations. In order to provide a consistent approach to the Livermore experiment and to other work efficiency experiments, the Union proposes that the Manager of Industrial Relations and the IBEW Business Manager may agree to the establishment of individual work efficiency experiments and that the following conditions be applicable:

1. Company and Union may agree locally to the specific conditions of each experiment including the criteria to be used to judge the productivity and the quality of the work, except that changes in the conditions of any Labor Agreement requires an agreement between the Manager of Industrial Relations and the appropriate Union Business Manager(s).
2. Each experiment will have an Advisory Committee to consist of Company members, IBEW members, Engineers and Scientists of California, MEBA, and at least one consultant to be agreed to by the parties. The number and size of the Advisory Committee shall be determined by the Committee.
3. Each experiment will have a local Steering Committee and a consultant to be agreed to by the parties. The size of this committee is to be determined locally. The Steering Committee may also utilize representatives from various departments on a subcommittee basis, as they deem appropriate.
4. Upon completion of the experiment, any modified bargaining unit work assignments agreed to during the experiment will be returned to the original unit.
5. There will be no layoffs for lack of work or demotions for lack of work in the headquarters in which the experiment is located during the period of the experiment.
6. During the experiment, local supervision and the employees involved shall be responsible for getting work done in a timely manner using all available resources.
7. Any party to an individual work efficiency agreement may cancel the agreement upon 30 day's notice to the other party(s).

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Union.

Very truly yours,

LOCAL UNION 1245, IBEW

By /s/ Jack McNally
Business Manager

The Company is in accord with the foregoing and it agrees thereto as of the date hereof.

EXHIBIT XII

ADDENDUM TO TITLE 206 AND 306 DEMOTION AND LAYOFF PROCEDURE

JOB SECURITY

During the course of 1990 General Negotiations the parties spent a great deal of time addressing the issue of job security with particular emphasis on the ability of Company to place non-bargaining unit employees into the bargaining unit. Company agreed that Letter Agreement 88-104 would remain in effect which limits Company's ability to place non-bargaining unit personnel into the bargaining unit. Further, in the application of Titles 206 and 306 of the Physical Agreement and Title 19 of the Clerical Agreement, Company agrees that should such placements occur, bargaining unit employees in the department and headquarters will not be impacted by demotion, displacement or layoff for the next three years subsequent to the placement of the non-bargaining unit employee into the bargaining unit, unless such employee leaves that headquarters for any reason. Employees at the headquarters in that department during the three year period will not be impacted by demotion, displacement, or layoff, unless such demotion, displacement or layoff is unrelated to the placement of the non-bargaining unit employee into the bargaining unit, in which event the original non-bargaining unit employee will be affected first if the number of employees in that department and headquarters is being reduced.

Example 1. Supervisor is returned to Lineman position in Antioch. The Supervisor must be placed in a vacancy as such placement cannot result in a displacement, demotion or layoff.

Example 2. Eight months after the Supervisor's return to the bargaining unit, another Lineman bids out of the Antioch headquarters. Assuming there is no contracting of Electric T&D work, therefore, no 88-104 implications, the headquarters may elect to not fill the vacancy and reduce through attrition.

Example 3. Thirteen months after the Supervisor's return to the bargaining unit, the Concord Electric T&D Department effects a displacement for lack of work and a Lineman has 206.4 rights into Antioch. Since Antioch is not reducing in the Electric T&D Department, the affected Lineman in Antioch would be the one with the least seniority, which may or may not be the former Supervisor.

Example 4. Fifteen months after the Supervisor's return to the bargaining unit Antioch decides to downsize the Electric T&D Department by reducing the number of Linemen by one. Since a reduction is taking place, the Supervisor is the first to be demoted, displaced or laid off.

Example 5. At any time the Supervisor leaves the Antioch Electric T&D Department and headquarters for any reason (bid, transfer, displacement), the headquarters and department has returned to status quo and may be reduced through demotion, displacement or layoff.

Local Union No. 1245
International Brotherhood of
Electrical Workers, AFL-CIO
P.O. Box 4790
Walnut Creek, CA 94546

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

This cancels and supersedes our letter dated July 23, 1991 to reflect changes proposed in Union's letter of October 25, 1991. Pursuant to Sections 205.19 and 18.17 of the Physical and Clerical Agreements, Company proposes the following procedures for the application of the hardship transfer provisions of the Physical and Clerical Agreements (i.e., Sections 205.17 and 18.15). The purpose of these Sections was to allow the Company, through agreement with the Union, to fill a job vacancy by appointing an employee who requests the position for reasons of urgent necessity. Urgent necessity includes impairment of the employee's health or that of a member of the employee's family or the lack of educational facilities for the employee's children in the location in which he/she is currently employed.

Following are the procedures to be utilized:

1. An interested employee must write to the Human Resources Department of his/her division (or General Office department), explaining the circumstances and request a transfer pursuant to the provisions of Section 205.17 (physical) or Section 18.15 (clerical), whichever is applicable.
2. The Division or Department Human Resources Department must then undertake a preliminary investigation to determine whether or not a bona fide reason exists to apply the appropriate section. For situations involving impairment of an employee's health or that of a member of the family, medical documentation is required.
3. If the Human Resources Department believes that the matter should be pursued, they then contact the IBEW Business Representative assigned to that area and both will make a thorough investigation to determine whether a hardship exists. If they agree a hardship exists, then they must then prepare a list of all locations in the Company that could alleviate the problem.
4. This list must be forwarded to the Human Resources Manager and Business Representative of each division (and/or General Office department) where such a location is identified. Each of these locations must also agree, in writing, that hardship transfer consideration should be afforded the employee. To avoid conflicting responses to an employee, all of the divisions solicited for hardship consideration should communicate with each other.
5. The first vacancy in any of the listed locations to any classification to which the employee is qualified to fill that does not have a higher wage schedule than the employee's current classification must be offered to the employee. If the employee declines such offer without a substantial reason or the Company does not make such an offer, the entire matter shall be dropped at this point, and the 205.17/18.5 request is invalidated.
6. If the individual accepts the offered position, a written agreement must then be prepared and signed by both the host and receiving Division Human Resources Managers and IBEW Business Representatives. A copy of such agreement should be forwarded to the Manager of Industrial Relations and the IBEW Business Manager, as well as all of the other locations earlier identified.

While the Division Human Resources Manager and IBEW Business Representative must send a hardship request to each suitable location, employees must also submit bids and transfers to each of these locations. The bids and transfers must be to every classification that would qualify in alleviating the hardship. If an employee declines a bona fide bid or transfer job offer, without a substantial reason, or if they refuse to submit bids and transfers to appropriate positions in all of the locations identified, his/her hardship would also be invalidated.

Many hardship requests are location specific. This appears to be an attempt by some employees to relocate using the hardship provisions rather than the normal bid and transfer procedure. Those location specific requests must be viewed very carefully to ensure that the location(s) requested is/are the only location(s) that would alleviate the employee's hardship. Often there are many locations that would accommodate the employee's particular situation. All of those locations must be included for consideration.

Often times employees send hardship requests directly to the Division Human Resources Department(s) in the location(s) where they wish to be considered. Those requests must be returned to the employee's Human Resources Department for consideration and processing.

This agreement may be cancelled by either party upon 30 days written notice to the other of such cancellation.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY

Manager of Industrial Relations

ATTACHMENT 1

SEVERANCE AGREEMENT AND RELEASE (Amended 7-25-12)

This Severance Agreement and Release is made and entered into between Mr./Ms. _____ and the Pacific Gas and Electric Company (PG&E). Mr./Ms. _____ and PG&E (collectively referred to as "the parties"), in their wish to compromise, resolve, settle, and terminate any dispute or claim between them with respect to Mr./Ms. _____ employment with PG&E and severance therefrom, have agreed as follows:

1. **Severance Payment:** Effective close of business on, _____ Mr./Ms. _____ shall be laid off from PG&E employment.

On _____, or seven calendar days following the execution of this Severance Agreement and Release, whichever is later, PG&E shall pay to Mr./Ms. _____ the amount of _____, less applicable deductions. Mr./Ms. _____ agrees that shall be responsible for paying any taxes on the amount paid to him/her pursuant to this Severance Agreement and Release. If Mr./Ms. _____ is rehired within 30 calendar days of layoff, then PG&E's obligation to pay is null and void. The parties agree that the payment provided in this paragraph is in addition to, and does not affect, any payment and benefit to which Mr./Ms. _____ may be otherwise entitled under PG&E's compensation and other benefit programs.

2. **No Pending Claims.** Mr./Ms. _____ represents that he/she does not have any pending claim, charge or action in or with any federal, state or local court or any administrative agency relating to his/her employment against PG&E, its officers, attorneys, agents, employees, subsidiaries, parent company, assigns, affiliated companies and successors. If Mr./Ms. _____ does have pending claims described in the preceding sentence, Mr./Ms. _____ agrees that such claims are covered by the release aspect of this Severance Agreement and Release and that he/she shall take all necessary action to

seek dismissal with prejudice of each claim, within two business days after the effective date of this Severance Agreement and Release.

3. **Release.** In consideration for the payment which PG&E shall provide Mr./Ms. _____ under this Severance Agreement and Release, Mr./Ms. _____ on behalf of his/herself, his/her heirs, estate, executors, administrators, successors, and assigns, releases and agrees to hold harmless PG&E, its officers, attorneys, agents, employees, subsidiaries, parent company, assigns, affiliated companies, and successors, from all actions, causes of action, claims, disputes, judgments, obligations, damages, liabilities of whatsoever kind and character, relating to Mr./Ms. _____ employment with PG&E, including his/her employment severance and any action which led to the severance. Specifically, Mr./Ms. _____ understands and agrees that the actions, causes of action, claims, disputes, judgments, obligations, damages, and liabilities covered by the preceding sentence include, but are not limited to, those arising under any federal, state, or local law, regulation, or order relating to civil rights (including but not limited to employment discrimination on the basis of race, color, religion, age, sex, national origin, ancestry, physical or mental handicap or disability, medical condition, veteran status, marital status, pregnancy, and sexual orientation), wage and hour, labor, contract, or tort.

Mr./Ms. _____ understands and agrees that the Severance Agreement and Release extends to all claims of every nature and kind whatsoever, known or unknown, suspected or unsuspected, past or present, and all rights under Section 1542 of the California Civil Code are hereby expressly waived. Such section reads as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his/her favor at the time of executing the release, which if known to his/her must have materially affected his/her settlement with the debtor.

Mr./Ms. _____ agrees not to initiate, participate or aid, in any way, in any lawsuit or proceeding upon any claim released by him/her under this Severance Agreement and Release. The preceding sentence, however, shall not prohibit Mr./Ms. _____ from participating in any judicial or administrative proceeding that relates to the subject matter of, or any claim covered by, this Severance Agreement and Release, if he/she is compelled to do so by a properly-issued subpoena or valid court order. PG&E also acknowledges that Mr./Ms. _____ may be legally required to appear and testify at a deposition, court hearing or trial, or otherwise respond to a subpoena. In the event of any such subpoena, court order, or request, Mr./Ms. _____ shall notify PG&E's Human Resources Department as soon as possible.

4. **Return of PG&E Property.** Mr./Ms. _____ represents and agrees that prior to signing this Severance Agreement and Release, he/she returned to PG&E all originals and copies of all files, memoranda, records, software, credit cards, identification cards, keys, and any other property of PG&E or its affiliates which he/she had in his/her possession, custody or control. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.
5. **Non Disclosure.** Mr./Ms. _____ agrees not to use, disclose, publicize, or circulate any secret, confidential or proprietary information concerning PG&E, its subsidiaries, parent company, or affiliates, which has come to his/her attention during his/her employment with PG&E, unless his/her doing so is consistent with any rights he/she may have under any applicable whistleblower laws, is authorized in writing by PG&E or is required by law, including subpoena. Before making any legally-required disclosure, Mr./Ms. _____ shall give PG&E as much advance notice as possible. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.
6. **Anti-Disparagement.** Mr./Ms. _____ agrees not to make, issue, endorse, publicize, or circulate to any person or entity statements or remarks that can reasonably be construed as disparaging toward PG&E, including its officers, directors, attorneys, agents,

employees, assigns, parent company, subsidiaries, affiliated companies and successors, or any aspect of its operations. Mr./Ms. _____ also agrees that, if called upon to do so, he/she will cooperate with, and provide reasonable assistance to, PG&E to protect and further its lawful interests in all judicial, administrative, investigative, and legislative proceedings involving PG&E or any aspect of its operations. The parties agree that this paragraph does not affect Mr./Ms. _____'s legitimate exercise of his/her rights under applicable whistleblower laws or his/her obligation to comply with all validly-issued court or administrative orders, including subpoenas. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.

7. **Breach.** Mr./Ms. _____ agrees that, if he/she engages in a material breach of this Severance Agreement and Release, PG&E shall not be required to make any unpaid payment due under this Severance Agreement and Release, and he/she shall repay to PG&E the payment he/she received under this Severance Agreement and Release within seven (7) calendar days upon written demand by PG&E. The parties agree that this paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said act.
8. **Misconduct.** Mr./Ms. _____ understands that if he/she engages, or has engaged, in misconduct that would warrant his/her termination of employment under PG&E's employee conduct standards and the collective bargaining agreement's just cause standard, he/she shall forfeit his/her right to sign this Severance Agreement and Release.
9. **Arbitration.** Any dispute regarding any aspect of this Severance Agreement and Release, including its validity, interpretation, or any action which would constitute a violation of this Severance Agreement and Release (hereinafter referred to as an "arbitrable dispute") shall be resolved by an experienced arbitrator, selected by the parties in accordance with the rules of the American Arbitration Association. The fees of the arbitrator and the cost associated with producing a transcript of the proceedings shall be paid in equal shares by Mr./Ms. _____ and PG&E. The parties agree that arbitration shall be the exclusive remedy for resolving arbitrable disputes and that the decision of the arbitrator shall be final and binding. The judgment rendered by the arbitrator may be entered in any court having competent jurisdiction. The prevailing party in any such arbitration shall be entitled to costs and reasonable attorneys' fees. In addition, any party who attempts to pursue an arbitrable dispute in any forum other than arbitration shall be liable for costs and attorneys' fees incurred by the other party in seeking to compel arbitration. The parties agree that this paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said Act.
10. **Repayment.** Mr./Ms. _____ agrees that, if he/she initiates an administrative, judicial, arbitral, or other similar proceeding, to bring a claim released by this Severance Agreement and Release or to challenge the validity of this Severance Agreement and Release, PG&E shall not be required to make any unpaid payment due under this Severance Agreement and Release and he/she shall repay to PG&E the payment he/she received under this Severance Agreement and Release concurrent with his/her initiation of the proceeding. Mr./Ms. _____'s failure to make the prescribed repayment shall be a basis for rejecting his/her claim and/or his/her attempt to challenge the validity of this Severance Agreement and Release. Mr./Ms. _____ also agrees that, if the claim he/she brought or his/her attempt to challenge the validity of this Severance Agreement and Release is rejected, he/she shall pay to PG&E any loss, cost, damage, or expense, including, without limitation, reasonable attorney fees PG&E incurred in the proceeding, within seven (7) calendar days from the final decision rejecting his/her claim or attempt. Further, notwithstanding the foregoing, if Mr./Ms. _____ obtains against PG&E a monetary judgment or settlement for a claim released under this Severance Agreement and Release, the payment he/she received under this Severance Agreement and Release shall be deducted from any such monetary judgment or settlement. The parties agree that this

paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said Act.

11. **No Admission of Liability.** This Severance Agreement and Release shall not be considered an admission of liability or a violation of any applicable contract, law, rule, regulation, guideline, or order of any kind.
12. **Older Workers Benefit Protection Act (Age 40 or over).** Mr./Ms. _____ agrees that all claims he/she may have arising under the Age Discrimination in Employment Act before he/she signs this Severance Agreement and Release are covered by paragraph of this Severance Agreement and Release and that his/her waiver of those age discrimination claims is an integral part of the release aspect of this Severance Agreement and Release. Therefore, consistent with the Older Workers Benefit Protection Act, Mr./Ms. _____ states that he/she was given this Severance Agreement and Release on _____, and understands that he/she has 45 calendar days from _____ until _____, to consider the Severance Agreement and Release. Further, Mr./Ms. _____ understands that, if he/she signs this Severance Agreement and Release, he/she may revoke it within seven (7) calendar days of the agreement's execution. To revoke this Severance Agreement and Release, Mr./Ms. _____ must submit to the local Human Resources Department, a signed statement to that effect by close of business of the seventh (7th) day. Mr./Ms. _____ understands and agrees that this Severance Agreement and Release will not take effect until the expiration of the seven-day revocation period. Further, Mr./Ms. _____ may elect to consider the severance package for fewer than 45 days, at his/her own option, but is under no obligation to shorten the period. If Mr./Ms. _____ elects to consider the severance package for fewer than 45 days at his/her option and executes this Severance Agreement and Release before the 45-day consideration period has expired, said employee may receive the severance payment before the 45-day consideration period, but only after the seven-day revocation period has expired. In no event, however, shall Mr./Ms. _____ receive the payment until he/she has completed his/her consideration period, which may be less than 45 days at his/her option, as well as the seven-day revocation period.
13. **Entire Agreement.** This Severance Agreement and Release sets forth the entire agreement between the parties and fully supersedes any and all prior agreements or understandings between the parties pertaining to the subject matter of this Severance Agreement and Release. This Severance Agreement and Release, however, shall not affect any right either party has or may have against the other regarding Workers' Compensation claims and Supplemental Benefit payments made for those claims. The parties agree that this Severance Agreement and Release may not be modified or canceled in any manner except by a writing signed by Mr./Ms. _____ and an authorized PG&E official. If any provision of this release is found to be unenforceable, all other provisions will remain fully enforceable.
14. **Consultation with Counsel.** Mr./Ms. _____ states that he/she has read this Severance Agreement and Release in its entirety, that he/she has been given the necessary time to consider its contents, that he/she fully understands its terms, that he/she has been advised that he/she should consult legal counsel of his/her choosing, that the only promises made to him/her to sign are those stated herein, and that he/she is signing this Severance Agreement and Release voluntarily.

PLEASE READ CAREFULLY. THIS SEVERANCE AGREEMENT AND RELEASE INCLUDES A RELEASE OF ALL KNOWN AND UNKNOWN CLAIMS.

CLARIFICATION TO SUBSECTION 301.4(a)

1. Company may establish a list of motels in the area. An employee may elect to stay at any motel/hotel in the area which is on the Company established list in which event employee shall use the normal method of payment as established by Company (i.e. P-Card, Corporate Credit Card, or other method adopted by Company) where payment is made by Company. If the employee elects to utilize other facilities, he/she must pay the associated cost and submit an Expense Reimbursement form. The cost of such other facility shall be reasonable. The determination of the reasonableness of the cost of such facility shall be subject to review in a manner agreeable to Company and Union. If agreement cannot be reached on the acceptability of the cost of the facility, Union may address the issue in the grievance procedure.

If an employee elects to utilize other facilities, and submits an Expense Reimbursement form, Company shall reimburse such employee in a reasonable period of time.

2. Facilities placed on the Company established list shall be of reasonable quality. Disputes related to the reasonableness of the facility shall be subject to review in a manner agreeable to local Company and Union representatives. If agreement cannot be reached on the acceptability of a facility, Union may address the issue in the grievance procedure.

Company shall utilize as a reference for identifying acceptable facilities, travel reference materials such as the California Automobile Association rating system or the Best Western rating system. Additional facilities not on the Company established list may be utilized if approved in advance by Company, and are subject to the same reasonableness requirements for cost and quality as above. All facilities included in the California Automobile Association rating system or the Best Western rating system, with the exception of those that are rated **** (four star), shall be assumed to be on the Company established list.

3. Motels/hotels on the Company list shall be located not more than five (5) road miles and/or fifteen (15) minutes travel time from the employee's regular headquarters, if such headquarters is located in an incorporated area. If the headquarters is in an unincorporated area, both board and lodging facilities must be located not more than 15 road miles of the headquarters provided that such board and lodging are within two road miles of each other. See note (4) below for an exception to this provision.

4. In the city/county of San Francisco, motels/hotels on the Company list shall be located not more than fifteen (15) road miles and/or thirty (30) minutes travel time from the employee's headquarters. Further, such facilities shall not be located in a city or town that requires crossing a toll bridge to reach. (Cannot cross Bay Bridge, Golden Gate Bridge, San Mateo Bridge, etc.)

5. Motels/hotels on the Company list shall provide, at minimum, the following conveniences:

- a) In-room telephone (does not include charges associated with use of the in-room phone).
- b) Cable television (does not include charges for use of pay-per-view channels).

6. Company cannot require two or more employees to share a facility. However, two or more employees may elect to share a facility. In the event two or more employees elect to share a facility, and all do not incur an expense, it is understood that only those who incur an expense are entitled to a reimbursement.

7. Employees who elect to utilize a travel trailer or motor home for lodging may do so. In such cases, employees may utilize the services of a campground or similar facility in the vicinity of the job headquarters. The normal method of payment established by Company shall be used for the payment at such facilities. In the event the normal method of payment

established by the Company is not available at the facility selected by the employee, such employee will be required to submit receipts on an Expense Reimbursement Form. Employees who utilize such facilities shall be entitled to the same conveniences as are provided to employees electing to utilize a motel (such as electric, water, telephone, cable television hookup, etc.).

8. Where it is reasonably possible to do so, and where the associated costs would be the same or less as for a motel/hotel, an employee (or several employees) may elect to rent an apartment on a month-to-month basis. Agreement with local management must be reached on a case-by-case basis, however, prior to such rental. There must be a reasonable expectation that the involved employee(s) will remain at the headquarters for a period of time sufficient to make such rental economically feasible.
9. An employee entitled to receive lodging at Company expense need not either commute on consecutive days or stay over night on consecutive days. Such employee may elect to commute on one or more days during a workweek or may elect to stay over night on one or more nights during a workweek.
10. An employee entitled to receive lodging at Company expense is entitled to lodging during a work week the same number of times as the number of work days and non-work days worked during the work week. The nights of lodging are not required to be on the same days as the workdays and non-work days. For example, an employee who works a regular 4 day/10 hour Monday through Thursday schedule may elect to receive lodging reimbursement for Sunday-Monday-Tuesday-Wednesday nights or for Monday-Tuesday-Wednesday-Thursday nights. If such employee was required to work overtime on Sunday in this example, such employee may elect to receive lodging reimbursement for Saturday through Wednesday nights or for Sunday through Thursday nights. If such employee were required to work overtime on Friday in this example, such employee may elect to receive lodging reimbursement for Sunday through Thursday nights or for Monday through Friday nights.

EXHIBIT XVI

CONTRACTING

(Applicable to Title 200 and 300)

It is recognized that Company has the right to have work done by outside contractors. Company will not make a contract with any other firm or individual for the purpose or with the effect of dispensing with the services of employees who are engaged in maintenance, operating or construction work.

It is the general intent of the parties to have bargaining unit employees perform bargaining unit work.

In the exercise of the right to contract work, Company shall observe the provisions of this exhibit.

94-53 Committee

An eight person 94-53 committee shall be established consisting of four individuals appointed by each party.

The committee shall meet at least quarterly; however, either party may call for a meeting.

The purposes of the committee are to (1) assure compliance with this agreement; (2) assure appropriate steps are taken prior to contracting of work in a department; (3) assure compliance with this agreement prior to the utilization of the lack of work provisions of Title 206 or 306 in any department; and (4) review all contracting out of bargaining unit work.

Pre-Contracting Out Provisions

Prior to contracting out work normally performed by the bargaining unit Company shall perform such work by the use of optimum use of voluntary overtime if at all possible. This shall be defined as being able to accomplish the work with the utilization of bargaining unit employees on a straight time and overtime basis if the work can be accomplished in a reasonable time frame.

Exhaust the provisions of 206.13 and 306.14.

Assure no use of contracting or hiring hall personnel has occurred within twelve months of any involuntary layoff in a department or have the number of regular bargaining unit positions brought up to the level in place prior to such involuntary layoff.

Pre Title 206 or 306 Provisions

Prior to the use of the lack of work provisions of Title 206 or 306 that will result in involuntary layoff Company shall first:

Meet with the Union to discuss the possible use of such provisions and assure compliance with the Agreement.

Eliminate all use of contracting and hiring hall personnel on a system-wide basis in the affected department initiating involuntary layoffs.

In the event an employee is displaced into or displaced out of a department using hiring hall employees, a listing of hiring hall positions will be provided to such displaced employees. A list of Hiring Hall positions, if desired, will be provided to displaced employees subsequent to their 206 or 306 assignment. Such displaced employees will be given seven calendar days to prioritize the hiring hall positions if elected. Assignments into the prioritized positions will be based on seniority and qualifications. However, this will not result in an employee being placed into a classification having a higher wage rate as provided for in Sections 206.1 and 306.1.

In the event an employee is displaced into a department that is contracting, the following will apply; Departments included in Letter Agreement 95-54 will be required to absorb the displaced employee or cease contracting before executing subsequent displacements. Those departments not included in Letter Agreement 95-54 that are impacted by displacements may continue the displacement process regardless of contracting status.

Prior to the use of the lack of work provisions of Title 206 and 306 that will not result in involuntary layoff Company shall first:

Meet with the union to discuss the possible use of such provisions and assure compliance with the Agreement.

Eliminate all use of contracting and hiring hall in that department.

Departmental Contracting Out of Work Provisions

All contractors will pay employees prevailing wage as defined by California Labor Code Part 7, Chapter 1, Article 2, Section 1770, 1773 and 1773.1. Further, the parties continue to encourage use of IBEW and union friendly contractors.

Company will maintain accurate records for all hours worked by bargaining unit employees and hiring hall employees on a departmental basis.

Company is to assure that all contractors furnish, on a departmental basis, all hours worked by contractor employees and submit a certified copy of their payroll, including benefits, for each pay period. Failure on the part of the Company or contractor to comply with this agreement shall result in immediate cancellation of the contract between the Company and the contractor.

Inspection of work contracted out will be performed by regular bargaining unit employees consistent with current practices including provisions of 95-54 and pole replacement work.

On a quarterly basis, Company shall hire additional bargaining unit employees in the event hours worked by hiring hall personnel and contractors exceed 20% of the total numbers of hours worked by bargaining unit employees for the previous twelve months. The number of employees to be hired will be equivalent to the numbers of hours worked by contractors and hiring hall personnel in excess of 20% divided by 2080.

On a quarterly basis, the bargaining unit may only be reduced by attrition when the utilization of contract and hiring hall personnel has been at a 10% or lower ratio for the prior twelve months in that department, with the exception of Gas and Electric T&D which maybe at a 15% or lower ratio for the prior twelve months.

**Exhibit XVI – Contracting
Electric T&D (200 and 300), Gas T&D (200 and 300) and Substation
(Amended 9-11-09 by Letter of Agreement 09-41)**

1. It is the parties' objective to control the need to use outside contractors on work that is normally performed by bargaining unit employees, except for the work describe below.
2. The Company agrees that it will not contract any work which is normally performed by its bargaining unit employees if, as a result thereof, it would become necessary to lay off, demote or displace any regular employee. If contracting is taking place, the department's staffing numbers shall not be eroded by attrition over the long term as a direct result of the contracting.
3. Prior to the use of the lack of work provisions of Title 206 or 306 that will result in involuntary layoff or displacement, Company shall first eliminate all use of contracting and hiring hall personnel in the affected department. No contracting or hiring hall personnel may be used in

the affected department within 12 months of any Title 206 or 306 activity unless the rehire list for that department has been exhausted.

4. Call Outs and Prearranged Overtime. The Company will exhaust the applicable 212 list and check the availability of Title 300 resources before calling contractors for emergency duty. The appropriate Title 200 and 300 bargaining unit employees will be offered prearranged overtime before any contractors are called into work for prearranged overtime. This provision does not apply to regularly scheduled contractor workweeks that exceed 40 hours. Only bargaining unit employees will be used to inspect work performed by contractors consistent with current work practices. To support this initiative, Company will initiate and sustain training programs that will develop an adequate number of trained bargaining unit Inspectors. Inspectors will be journeymen or above selected by Company and approved by Union.
5. The parties recognize that peak work is best accomplished through the use of hiring hall employees or contracting. The Company may contract work (1) when needed specialized skills or specialized equipment are not available (2) when peak workloads require a temporary increase in the Company's forces with subsequent lay-off of such additional forces; (3) **Electric T&D only**; to provide minimal ongoing employment for contractors to facilitate response to storms or other major outages.
6. On a quarterly basis or more often as needed, representatives of the Company and Union will meet to review the Company's operational needs and various alternatives for completing the work. Prior to each quarterly meeting, Company will share actual hours contracted compared with projected hours that were forecast. Before deciding whether or not to contract such work, thorough consideration will be given to (1) staffing levels and the possible need to hire additional regular and/or hiring hall employees; (2) providing the opportunity for overtime to the work group involved either instead of or in conjunction with contracting; and (3) other alternatives which would permit greater utilization of Company employees within the requirements of the work to be performed and other restraints such as the time within which the work must be completed. The ultimate decision on staffing levels, overtime assignments, and contracting rests with the Company.
7. All construction work normally and historically performed by the bargaining unit will be performed by a contractor signatory to an agreement with IBEW Local 1245 covering the work in question. The Joint Labor Management committee overseeing this agreement may agree to contract work to a contractor who is signatory to a union other than IBEW Local 1245 or to a non-signatory contractor. This agreement does not apply to either the Gas System Maintenance/Gas System Operations Department (sometimes referred to as CGT) or Gas M&C; these departments remain subject to Exhibit XVI. Nothing in this agreement is intended to modify any current understanding of (A) work normally performed by Gas T&D or (B) work normally performed or not normally performed by employees in the covered departments.
8. For maintenance work, all contractors will pay employees the prevailing wage as defined by the California Labor Code Part 7, Chapter 1, Article 2, Section 1770, 1773 and 1773.1. Further, the parties continue to encourage the use of IBEW and union-friendly contractors.
9. Upon 30 days written notice, either party may cancel this agreement for any department covered by this agreement, in which case the existing term of Exhibit XVI will revert as operative for that department. In the event of cancellation, existing PLA contracts would continue only to the extent required by the termination and cancellation clause of the agreement with the contractor and hours worked by contractors would not count as hours worked under Exhibit XVI. Company will during the full term of this agreement require all contractors to provide all data needed to comply with Exhibit XVI. Amendments to this agreement may be made by agreement of the Chief Negotiator for the Company and the Union's Business Manager.

EXHIBIT XVIII (Amended 7-25-12)
(Letter Agreement R2-05-67-PGE)

CONDITIONS APPLICABLE TO NEW GENERATION POWER FACILITIES

The parties recognize that the Company in the near future will be operating new generation facilities that have different technologies and operating characteristics than the traditional power plants previously owned and operated by the Company. These plants will require special universal employee commitments to operating and maintaining the plants.

To that end, the parties have agreed to apply the following conditions to employees who are assigned to these facilities. Where these conditions conflict with provisions in the current Physical Labor Agreement, these provisions will be applicable. All other provisions in the current Physical Labor Agreement not addressed in this Exhibit will be applicable.

| <u>Job Classifications*</u> | <u>Job Level</u> | <u>Pay Rate</u> |
|-----------------------------|--|-----------------|
| Power Plant Technician | Assistant Power Plant Tech (entry level) | TBD |
| | Power Plant Tech I | TBD |
| | Power Plant Tech II | TBD |
| | Power Plant Tech III | TBD |
| | Power Plant Tech IV | TBD |

Lead Power Plan Technician SAP Code 50319268 (Added 7-25-12)

Regular Lead Power Plant Technician positions may be established at each plant. Such position shall receive a 10% wage increase over the Advanced Power Plant Technician rate.

Candidates will be interviewed by a panel consisting of a Company representative and one or more Technicians. The panel will consider such factors as job performance, experience, and leadership and technical abilities. If the panel is unable to reach a consensus, the final selection will be made by the Company representative. Employees who accept the position may be promoted effective on the date of the offer.

4) Additional Job Responsibilities (Noted in LA 06-53, 09-13 and 09-49) (Added 7-25-12)

- Temporary assignments to Lead Power Plant Technicians are not intended to replace regular Lead positions but may be utilized for a trial period for regular assignments, increase work load, vacation relief, etc.
- (a) Parties will develop skill blocks and their application for the job classifications prior to start up.
- (b) The provisions of Title 206 shall not be applicable unless an employee is subject to layoff for lack of work, then the employee's option will be limited to Sections 206.5 and 206.6 to positions outside of New Generation. The employee shall be entitled to Section 206.8 provisions. (Amended 7-25-12)

- (c) Employees who are subject to layoff for lack of work shall be entitled to severance as defined in Exhibit XIV and will have re-employment rights under Section 206.13 to any beginning level classification covered under the Physical Agreement.
- (d) The Company may determine the classification subject to layoff provided that the parties have met and explored other alternatives.

WORK HOURS

- (a) Non-Shift employee's basic workweek shall be Monday through Friday consisting of eight (8) hours with a half hour unpaid lunch break and shall commence no earlier than 6:00 a.m. and no later than 9:00 a.m. The regular start times shall be determined after start-up, by mutual agreement. Based on operational needs the parties may agree to alternative work schedules that best supports the needs of the Company and the employee.
- (b) Shift employees work scheduled shifts on a rotating twenty-four (24) hour day shift seven days a week. The workweek shall be regularly scheduled and may start any day of the week and any hour of the day. A regular schedule shall be determined after start up, by mutual agreement.
- (c) The Company determines the basic workweek, work hours, and staffing of employees prior to start up, consistent with their need to properly operate and maintain the plant.
- (d) It is understood that Shift employees by nature of the work cannot leave their work stations in order to take a meal break but shall be permitted to eat their meals during work hours. Overtime meals shall be consistent with Title 104 of the Physical Labor Agreement.
- (e) Company shall provide forty-eight (48) hours notice of any change in work schedule and cannot be done more than once a week. Such change shall not result in the payment of overtime, provided that the employee does not work more than eight (8) hours on a workday or more than 40 hours in a workweek.

INTER-PLANT TRANSFERS

- (a) Employees may be temporarily assigned to other plants covered under this Exhibit for the purposes of operational and/or maintenance needs or the duration of an outage. Company shall first solicit volunteers for such assignments and selection will be made on the basis of qualifications and experience. The expenses shall be covered by Title 201. The parties agree that alternative arrangements can be worked out between the employee and the supervisor and the Local Business Representative. (Amended 7-25-12)
- (b) Employees can submit written requests for transfers to other plants covered under this Exhibit to regular or part-time positions. The Company shall consider such requests on the basis of job performance and skills, the qualifications needed at the new work location, the impact on the employee's current work location and the number of times the employee has previously transferred. The Company shall also retain the right to fill such vacancies through new hire.

CONTRACTING

- (a) The Company retains the right to determine methods, techniques, and types of work or services performed, not performed, or services to be contracted or subcontracted by any plant covered by this Exhibit. The provisions of Exhibit XVI shall not apply as contracting performed during maintenance outages was specifically exempted from the provisions of Exhibit XVI and any contracting to be performed

during non-outage periods is not expected to be within the job duties that are routinely performed by existing personnel at the facility.

- (b) The management right to contract or subcontract work or services shall not be intended to reduce the size of the bargaining unit, once established.

OVERTIME

- (a) All overtime, including pre-arranged and emergency overtime, shall be consistent with Title 208 of the Physical Labor Agreement.
- (b) In lieu of the provisions of Section 208.16, the Company shall distribute overtime as reasonably as possible.
- (c) By the nature of this Exhibit the Company may distribute and assign overtime to employees based on job qualifications. Additionally, the Company can require employees to come to work for emergency overtime based on qualifications. The parties will meet, if necessary, to work out emergency response arrangements that will suit the needs of the Company and the employee.
- (d) Extension of the work day overtime assignments or lunch overtime shall be at the discretion of the Company.

ENABLING CLAUSE

By written agreement between Company and Union, other provisions may be substituted for the provisions of this Exhibit.

*Note: The parties agreed to negotiate specific job classifications, skill blocks and progression, wage rates and incidental issues prior to each new plant becoming operational. These are included in Section 600.14, Exhibit VI-N, New Generation.

SUPPLEMENTS

LABOR AGREEMENT INTERPRETATION

SUBJECT: Comparable Substitute for Usual and Average Meals (Meals at Home)

TITLE 104 - MEALS - Physical Agreement
TITLE 16 - MEALS - Clerical Agreement

Section 104.1 of the Physical Agreement and Section 16.1 of the Clerical Agreement state that provisions of the Meal Titles shall be interpreted and applied in a practical manner which shall conform to the intention of the parties in negotiating with respect to meals; namely, that a comparable substitute shall be provided when employees are prevented from observing their usual and average meal practices or are prevented from eating a meal at approximately the usual time therefore.

In the Company's Guidelines with respect to the application of Title 104 originally issued in October 1965 and amended in October 1966 and July 1968, the following statement is made with respect to the definition of a comparable substitute:

"The meal provided.....should but may not be quite the same as the meal would be at the same time if eaten at home. Dependent upon the circumstances present at the time, and where practical or possible, a comparable substitute to the missed meal should be furnished.

"It may be necessary to provide meals at times of the day or night when the employee would not observe a customary mealtime...The meal provided, again dependent upon the circumstances of that situation, should be such as to adequately compensate for the need for food resulting from working beyond or before customary mealtime.

"There have been no maximum cost limits for meals agreed upon because the cost of meals may vary due to such factors as the time of day, location, conditions and other circumstances. However, the requirement of reasonableness in the selection of a 'comparable substitute' for the meal missed should be followed."

The following guidelines, but not necessarily in the order listed, should be kept in mind by both employees and supervisors in determining whether or not a meal purchased as a comparable substitute is or is not reasonable.

1. The cost of meals at the average restaurant available in the general area, but excluding such luxury items as filet mignon or combination steak and seafood dinners. The foregoing is not intended to mean menu averaging.

2. The availability of restaurants which can provide a comparable substitute within a reasonable distance of the job site or between the job site and the headquarters.

3. The breakfast, luncheon or dinner menu where comparable substitutes are available, but excluding extra a la carte items. The foregoing does not preclude ordering a la carte when that is all that is available nor does it preclude a la carte desserts with dinner meals.

4. The weather or other extreme working conditions to which the employees have been subjected.

5. The amount by which the time limits in the Agreement and in the Guidelines have been exceeded, with some consideration as to whether or not sandwiches and a hot beverage have been supplied on the job. Except for lunch, the foregoing does not imply that sandwiches and a hot beverage are to be considered as a comparable substitute nor is it intended to mean that employees are to be worked routinely nor excessively beyond the aforementioned time limits.

CRITICAL CLASSIFICATIONS

Local Union No. 1245
International Brotherhood of
Electrical Workers, AFL-CIO
P.O. Box 4790
Walnut Creek, California 94596

March 8, 1974

Attention: Mr. L.L. Mitchell, Business Manager

Gentlemen:

This letter cancels and supersedes all previous proposals submitted to you on the same subject.

As discussed with you on numerous occasions, it has become increasingly difficult for the Company to properly staff and maintain qualified personnel in certain journeyman classifications and locations in the system. In an attempt to solve this problem, Company proposes the following:

1. When the complement of a journeyman classification is 10% or more below the desired strength for 90 days or more at a specific headquarters, Company may upon giving written notice to Union designate the apprenticeship leading to such journeyman classification, the journeyman classification, and classifications above the designated journeyman classification, as critical classifications. Non-apprenticeship situations shall be handled in accordance with Paragraph 8 below.

2. In order to bring the complement at the affected headquarters to the desired level, Company will initially seek volunteers system-wide for assignment to such critical classifications through the postbid procedure. Employees voluntarily transferring to the critical classifications shall be designated critical and be subject to the conditions outlined below. If sufficient employees are obtained in this manner to alleviate the critical situation, no further action will be taken. If, however, a sufficient number of employees are not obtained for critical status, Company shall designate all apprentices appointed after the date critical status was applied at that headquarters as "critical apprentices."

3. (a) Except as provided in (b) below, employees on critical status shall be paid 8% above their basic weekly rate as provided for in Exhibit X.

(b) Employees in a critical apprenticeship status shall be paid the following percent adjustment above their basic weekly rate as provided for in Exhibit X:

| | |
|---------------|----|
| Start | 3% |
| End 6 months | 4% |
| End 1 year | 5% |
| End 18 months | 6% |
| End 24 months | 7% |
| End 30 months | 8% |

4. Employees on critical status will not have their prebids or postbids for vacancies in or below their present classifications nor their application for transfer considered for any job outside of their existing headquarters or outside of their Line of Progression.

5. A journeyman's "critical" status shall be for a period of three years with the exceptions set forth in Item 6 below. However, by mutual agreement, the "critical classification" designation may be lifted on either an individual or on a total basis. Apprentices on critical status complete their training at the "critical" headquarters.

6. Apprentices designated as critical who progress to unassigned journeymen status shall continue on "critical" status for two additional years under the conditions outlined above. If the desired strength has been met at the concerned headquarters, the unassigned journeyman may replace the senior journeyman on "critical" status who desires such replacement. Upon his release from "critical status," the 8% weekly allowance and the freeze on bidding and transfer rights will cease.

7. Company will give the Union and the involved employees 90 days' notice of the cancellation of the "critical classification" designation. However, upon cancellation by Company, employees on critical status shall continue to receive the appropriate weekly allowance for the remainder of their applicable term or until such time as they bid or transfer to another classification or headquarters.

8. In critical situations where a formal apprenticeship is not involved Company proposes to apply the 8% weekly allowance and the freeze on bidding and transfer rights to the journeyman classification under the conditions outlined above. However, in each instance, the

added weekly pay and the total length of the bid or transfer freeze for classifications leading to such non-apprentice journeymen shall be established by agreement between Company and Union. Such agreement shall be, to the extent possible, consistent with the framework outlined above for apprentice situations.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,
PACIFIC GAS AND ELECTRIC COMPANY

By /s/ I.W. Bonbright
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
